

SENATE BILL #1233

Title: Crosswalk Safety Improvement

Codification Number:

Introduced: November 29, 1977

Thesis: Proposals by UW Panhellenic Council to Alleviate Crosswalk Hazards.

Sponsors: ~~Walter J. ...~~ Becky Becker

*Withdrawn  
2/14/78*

- 1. Be It enacted by the Student Senate of the Associated
- 2. Students of the University of Wyoming that immediate action
- 3. be taken to improve the safety of the student crosswalk
- 4. located at the intersection of 15th Street and Fraternity
- 5. Park.

- 6. Whereas eight students using this crosswalk have been hit
- 7. by automobiles and hospitalized within the past two years,
- 8. the University of Wyoming Panhellenic Council requests
- 9. that one of the following proposals be implemented:

- 10. 1) the installation of a stop sign, or
- 11. 2) a timed stoplight to operate in conjunction with
- 12. adjacent traffic lights.

- 13. The Panhellenic Council urges serious consideration of the
- 14. proposals because of the number and seriousness of injuries
- 15. and the belief that this location is becoming increasingly
- 16. hazardous.
