Introduced: September 12, 1978

Thesis:

Sponsors: Bill Walker, Randy Tucker

1. Be it resolved by the Student Senate of the Associated Students of the
2. University of Wyoming that the southern entrance of the eastern union
3. parking lot be closed to all but one lane of exit traffic. The entrance
4. across from fraternity row will be completely closed. A oneway, single
5. lane, entrance will be made at the present entrance west of Willett Drive.
6. Curbs in the exit lanes will be moved out to create only single lane
7. traffic, thus providing additional parking. The entire lot will then be
8. striped to avoid improper parking problems.
