

SENATE RESOLUTION #1267

Title: Football Fence

Codification Number:

Introduced: September 19, 1978

Thesis: Opposition to the funding of the fence around UW football practice field

Sponsors: Randy Tucker, Bill Walker

1. Be it resolved by the Student Senate of the Associated Students of the
2. University of Wyoming that we are emphatically and categorically in opposition
3. to the funding and building of a fence around the university's practice
4. football field. This is a slap in the face of the students in light of
5. other pressing problems (parking, stadium seating, recreational facilities,
6. etc.), a dereliction of duty to faculty and administration, irresponsibility
7. to citizens of the State, and a notable lack of academic scholarship.

Referred to: special session

Date of Passage: September 19, 1978

Signed:
