

SENATE RESOLUTION #1283

Title: Rejection of 90-minute peripheral parking

Codification Number:

Introduced: December 1, 1978

Thesis: 90 minute parking

Sponsors: Nadine Johnson and members of the Ad Hoc Parking Committee

1. Be it resolved by the Student Senate of the Associated Students of the University
2. of Wyoming that we are vehemently opposed to the recent change in peripheral
3. parking around the UW Campus. These areas have been changed to 1 hour and 90
4. minute parking; whereas, this solution does not reduce traffic movements
5. associated with parking, but rather increases such movements; whereas, timed
6. parking forces students, faculty, and staff further into residential parking
7. areas and thereby reducing residential parking; whereas, this solution increases
8. friction and hard feelings between the UW Campus and the City of Laramie; and
9. whereas, this implementation was done without any student input; we would like
10. to see it changed back to unlimited time, non-designated, open parking.

Referred to: Steering (emergency session)
