

SENATE RESOLUTION #1424

Title: Proposed changes in provision of Section 504

Introduced: March 2, 1982

Thesis:

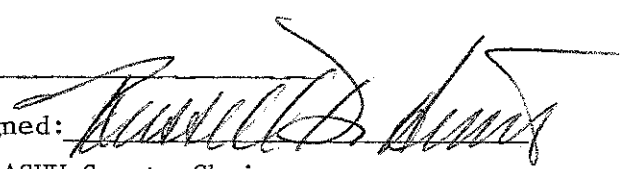

Sponsor: Alan Noblitt

1. Whereas the 1978 NEW Section 504 guidelines were issued five years after
2. the passage of the Rehabilitation Act of 1973, after an all-out,
3. coordinated nationwide effort by the disabled community; and whereas the
4. guidelines represent a reasoned approach to Section 504 implementation
5. and were promulgated only after extensive testimony and comments were
6. carefully considered; and whereas disabled people are just beginning to
7. reap the benefits of these hard-sought-after guidelines and regulations,
8. therefore be it resolved by the Student Senate of the Associated Students
9. of the University of Wyoming that in support of disabled students, we
10. ask that proposed changes to the HEW Section 504 guidelines and regulations
11. not be approved.
