Title: Prexy's Pasture's Preservation

Introduced: October 7, 1983

Thesis: A request for Board of Trustee action

Sponsor: Ann Marie Herring

1. Whereas it has been a tradition of the University of Wyoming to recognize
2. and protect the natural, unhindered open beauty of Prexy's Pasture; and
3. whereas the State Legislature of the State of Wyoming has statutorily
4. recognized the sanctity and historical importance of Prexy's Pasture by
5. the passage of WYO STAT. § 21-17-401 (1977); and whereas the Associated
6. Students of the University of Wyoming were required to submit for approval
7. to the Board of Trustees a plan for the construction of safety lights on
8. Prexy's Pasture; and whereas any construction on Prexy's Pasture affects
9. the aesthetic quality of the campus environment; and whereas the Trustees
10. of the University of Wyoming by WYO STAT. § 21-17-203 are ultimately
11. responsible for all University property; and whereas the Administration
12. of the University of Wyoming acted improperly by not adequately informing
13. the ASUM and the Board of Trustees of their actions pertaining to
14. Prexy's Pasture; Therefore be it resolved that the Student Senate of the
15. Associated Students of the University of Wyoming officially protest the
16. action of the construction of the sculpture structure on Prexy's Pasture
17. and requests that the Board of Trustees of the University review and
18. determine the propriety of the actions of the Administration of the

19. University of Wyoming, and how best to ^{I WOULD HATE} restore Praxy's Pasture to its
 20. previous condition. This resolution is not intended in any manner to
 21. be a comment on the sculptor or his work.
