

SENATE RESOLUTION #1518

Title: Student Health response to the incident at the Classroom Building

Introduced: November 15, 1985

Thesis:

Sponsor: Mike Offa

1. Whereas a full time student had an apparent seizure in the Classroom
2. Building; whereas according to the Branding Iron article, Student Health
3. failed to respond to see if the incident was life threatening; whereas
4. due to the inherent implications of the incident of 12 November 1985, which
5. if true would indicate a severe problem in Student Health; whereas the
6. Associated Students at the University of Wyoming feels this incident
7. should not go uninvestigated; Be it resolved by the Student Senate of
8. the Associated Students of the University of Wyoming that a committee of
9. members of ASUM and Student Living shall commence an immediate investigation
10. into the incident.
