

SENATE RESOLUTION #1526

Title: Part Time Students' Optional Fee Package

Introduced: February 4, 1986

Thesis:

Sponsor: Part Time Students' Fee Package Ad Hoc Committee

1. Whereas 819 people enrolled at UW Fall 1985 were part time students
2. carrying 6 credit hours but less than 12 credit hours; whereas these
3. students do not receive current access to services enjoyed by all full
4. time students; whereas some students want the benefits from the fees
5. charged currently to full time students; and whereas part time students have
6. different characteristics and needs from full time students and therefore
7. many don't require the services from the fees outlined on the attached page;
8. Be it resolved by the Student Senate of the Associated Students of the
9. University of Wyoming that they support the University of Wyoming offering
10. an optional fee package to part time students carrying 6 credit hours but
11. less than 12 credit hours, and that the package include all fees paid
12. currently by only full time students. (See attached sheet) Be it further
13. resolved that those students which opt for the fee package will have access
14. to the services of ASUW, but will not be able to hold an elected or
15. appointed position in the ASUW student government. Finally, be it resolved
16. that the By-Laws and Constitution of the Associated Students of the
17. University of Wyoming be changed and approved to reflect the above changes.
