

SENATE BILL #1595 (REVISED)

Title: Computer Services Modification

Date: March 15, 1988

Thesis: Change name of the committee and its composition through constitutional amendment.

Sponsor: Ken Worley

1. Be it enacted by the Student Senate of the Associated Students of the
2. University of Wyoming that: whereas the name "Computer Services Commit-
3. tee" does not reflect the true purpose of the committee; and whereas
4. the composition of the committee as stated in the ASUW Constitution could
5. be modified to allow the committee to be both more efficient and thus
6. more useful to the Senate body and its committees; the Constitution of
7. the ASUW be amended so the "ASUW Computer Services Committee" in
8. Article VI, section six, paragraph K, reads instead "ASUW Research and
9. Information Committee" and so that the Composition section of paragraph K
10. reads "The Committee shall consist of at least six ASUW Senators one of
11. which shall serve as chairperson, elected from the committee as a whole,
12. and no minimum number of ASUW members at large. There shall be no
13. maximum membership and no Senator member shall be obligated to serve on
14. more than one other ASUW standing committee. An advisor will be selected
15. in accordance with the purpose of the committee.
