

SENATE RESOLUTION #1584

Title: "Endorsement of Student Ticket Pick Up Proposal"

Introduced: October 27, 1987

Thesis: Acceptance of a UW Athletic Department proposal requiring full-time UW students to reserve seats in student sections of the Arena Auditorium.

Sponsors: Jim Jarrard, Kevin O'Kane, Dan Dockham, Jim Egan

1. Whereas at least 1,000 seats reserved in the Arena Auditorium for full-
2. time University of Wyoming students go unused by full-time students at
3. each home basketball game; and whereas an estimated \$50,000 annually
4. would be generated for UW if unused student seats in the Arena Audit-
5. orium were to be sold; and whereas, in the past, it has been virtually
6. impossible to stop the general public from moving into the UW student
7. sections of the Arena Auditorium; and whereas students would no longer
8. have to find student seating in an endangering and disorganized manner
9. because student seating would be reserved; and whereas it is expected
10. by personnel in charge of ticket sales to UW sporting events that most
11. UW home basketball games during the 1987-1988 academic year will be sold
12. out; and whereas it is not possible under the present UW ticket distribu-
13. tion system for full-time UW students to conveniently reserve and pick
14. up seating tickets for themselves and their friends; and whereas full-
15. time UW students would retain access to the total 5,025 seats in the
16. Arena Auditorium currently available for full-time UW students up to
17. 72 hours prior to home basketball games; therefore be it resolved by
18. the Student Senate of the Associated Students of the University of
19. Wyoming that the proposal developed by the UW Athletic Department re-
20. quiring full-time UW students to reserve their seats in the designated
21. student sections of the Arena Auditorium prior to the home basketball
