

SENATE RESOLUTION #1590

Title: Policy for Course Withdrawal

Introduced: January 19, 1988

Sponsors: Dan Dockham and David Nelson

1. Whereas, the withdrawal period was established to allow students with
2. problems, either personal or academic, to withdraw from courses in which
3. they may have a conflict; whereas five weeks is often not sufficient time
4. in which to recognize these problems and take corrective action; therefore
5. be it resolved by the Student Senate of the Associated Students of the
6. University of Wyoming that the senate recommends to both the Administra-
7. tion of the University of Wyoming and the Board of Trustees that the
8. current course withdrawal period of ten weeks be maintained and that no
9. change in Unireg 238 occur.
