

Senate Resolution #1659

Title: Upper Division Requirements

Date: March 20, 1990

Sponsor: Academic Affairs

1. Whereas current University regulations allow colleges to set their own
2. standards for upper division credit hours required for graduation; whereas
3. the individual colleges can better evaluate the importance of upper
4. division credit in its curriculum, whereas the current number of upper
5. division classes available is not sufficient to meet current demands and
6. requirements, and whereas the effect of the University Studies program
7. will limit colleges' freedom and ability to meet the demand for
8. additional upper division courses; be it resolved by the Student Senate of
9. the Associated Students of the University of Wyoming that it does not
10. support a universal upper division requirement above 32 credit hours.
