## **Addendum A**

### **About NO MORE**

NO MORE aims to raise public awareness and engagement around ending domestic violence and sexual assault. Launched in March 2013 by a coalition of leading advocacy groups, service providers, the U.S. Department of Justice, and major corporations, NO MORE is supported by hundreds of national and local groups and by thousands of individuals, organizations, universities, and communities who are using its signature blue symbol to increase visibility for domestic violence and sexual assault.
