

Associated Students of the University of Wyoming

Student Organization Funding Board Policy

Preamble

We, as the members of the Associated Students of the University of Wyoming (ASUW), in accordance with the ASUW Constitution, ASUW By-Laws, and other recognized University Regulations, establish the following Student Organization Funding Board Policy to govern the annual budget allocation process and other financial decisions of the Student Organization Funding Board (SOFB) within the ASUW Student Government. This policy has been created to capture the substantive best practices of allocating resources for the use of the Associated Students, while also advancing the University's educational mission and promotion of our campus as a free marketplace of ideas. The SOFB works to advance the voices of the student body by remaining non-partisan and content neutral with its decision-making capabilities, thereby protecting the committee's ability to assist, oversee, and support Recognized Student Organizations (RSOs) across campus.

Article 1. Introduction

1. It is the purpose of the SOFB to set forth the rules and regulations in which the allocated budget shall be distributed to RSOs seeking funding for events, conferences, competitions, and marketing materials.
2. The SOFB Policy is governed by University policies. Student Activity fees are state funds which must be administered in a manner consistent with the educational mission of the University of Wyoming.
3. Changes or additions to the SOFB Policy shall require a "Do Pass" or "Do Pass with Amendments" recommendation from the SOFB and a two-thirds (2/3) affirmative vote of the ASUW Senate.

Article 2. SOFB Authority and Guidelines

Section 2.01 SOFB Authority

1. The ASUW Senate provides the SOFB sole authority to allocate ASUW funds directly to RSOs which are not Programs of the ASUW.

2. RSOs shall not receive funding from the SOFB for normal operating expenses, membership fees, or dues.
3. The SOFB shall have the sole authority to approve requests totaling up to \$4,500.00.
 - a. Any requests of \$4,500.01 or more that are approved by the SOFB shall be subject to final approval by the ASUW Senate.
 - i. All votes concerning final funding allotments by the ASUW Senate shall be conducted via a standing vote and require a simple majority in affirmation for approval.

Article 3. RSO Events Funding by SOFB

Section 3.01 RSO Event General Application Procedures

1. Application forms for SOFB funding for RSOs shall be made available online. RSOs may only receive funding when the program or activity is open to the entire student populations and has a valid educational and/or enrichment purpose.
2. The RSO shall submit an event application request to Qualtrics no less than four (4) weeks prior to the event if the event is over \$4,500.00. For events \$4,500.00 and under, the events application request shall be submitted no less than two (2) weeks prior to the event. The primary ASUW Executive of the SOFB will forward the application to the Chairperson of the SOFB and provide a copy of the request to each member of the SOFB.
 - a. Requests for events without a speaker/performer or without a contract shall follow the timelines based on funding amounts mentioned above.
 - b. Exceptions to this rule for requests totaling up to \$4,500.00 shall be at the discretion of the SOFB.
 - c. All requests over \$4,500.00 shall be allowed no exception to the four (4) week application deadline and will be denied a meeting with the SOFB and/or funding for the event
 - i. RSOs may appeal the denial of funding based on a failure to meet the deadline through the appeal processes outline under Article 8, Section 8.01 and 8.02.
 - d. RSOs will be allowed two (2) attempts to apply and show for a single request before the request will be considered “void” and a new request must be submitted.
 - i. RSOs may submit a written statement in lieu of attending if the primary ASUW Executive of the SOFB deems the reason justified; however physical attendance is strongly encouraged and recommended.

- ii. Failure to attend or provide a written statement at two (2) meetings for the same request will result in the request being voided. The submitting RSO will be notified that the request has been voided, and they will need to resubmit the request for it to be heard again.
- 3. If an RSO is unable to host the event on the specified date given to the SOFB at the time of the initial request, the RSO is responsible for communicating the new date, time, and location of the event in written form with the primary ASUW Executive of the SOFB and/or the Chairperson of the SOFB alongside a reasonable justification for the change.
- 4. If an event is sponsored by multiple RSOs, a single request may be submitted to the SOFB with individual budget sheets for each RSO participating.

- 1. Each RSO may be awarded up to \$13,000.00 from the SOFB per fiscal year.

 - b. Per University policy, each student organization is entitled to apply for up to \$10,000.00 for a single event. RSOs are welcome to apply for the full \$13,000.00 through multiple events.
 - i. Additionally, if an event is cosponsored by multiple RSOs, they can exceed \$10,000.00 by pooling their funding together. For instance, if two (2) RSOs are hosting an event together, they may combine their funds to total a request of up to \$20,000.00 (\$10,000.00 each).
 - c. If a RSO wishes to exceed \$4,500.00 of unmatched funds, the RSO must provide documentation of non-ASUW matching funds of at least 10% of funds requested above the \$4,500.00 threshold.
 - i. Exceptions to this rule shall be at the discretion of the SOFB. Exceptions made by the SOFB must be approved by the ASUW Senate.
 - d. The annual cap of funds per RSO and any required outside funding shall be reviewed and adjusted every two (2) years by the SOFB during the ASUW Budget process.
- 2. RSOs can apply for funding to the SOFB before the end of the current ASUW Administration covering events hosted during the first five (5) weeks of the following academic year. Any approved funding will be allocated out of the fiscal year in which the event occurs.

- 7. Any exceptions to this section must be made through a special request by a RSO to the SOFB for approval. If the overall event budget is over \$4,500.00, it must also be approved by the ASUW Senate.
