March 29, 1983

The Judicial Council decided by unanimous vote to uphold the Elections Committee's clarification on choosing the candidate positioning on the general ballot. The Council felt that on the face of "Rules for ASUW Student Body Election", part 4 under "voting", the term "position on ballot" was properly interpreted to mean the "position on the primary ballot".

The Election Committee acted properly to insure the fairness and candor of the election.

Signed: _____

Tom Lubnau, II Chairman, Judicial Council
