Addendum A

UNIVERSITY OF WYOMING FOUNDATION

ENDOWED SCHOLARSHIP AGREEMENT

ASUW Non-Citizen/International Student Support Fund

The undersigned, Hunter Swilling, on behalf of the Associated Students of the University of Wyoming (ASUW), hereinafter called the DONOR, hereby transfers, assigns, and sets over to the University of Wyoming Foundation, a non-profit corporation under the laws of the State of Wyoming, hereinafter called the FOUNDATION, the sum of \$100,000, for the establishment of an endowed scholarship fund, hereinafter called the FUND, for uses and purposes and upon terms and conditions hereafter set forth:

1. The endowment hereby created shall be known as the ASUW Non-Citizen/International Student Support Fund and the above named FOUNDATION shall prudently maintain and administer the FUND as a permanent endowment. The FOUNDATION may make available for appropriation only that amount which is prudent, consistent with the purposes of the FUND as described herein, taking into account relevant economic factors and the DONOR's intent that the FUND continue in perpetuity. Appropriations¹ for expenditure shall be used to make scholarship grants to students enrolled at the University of Wyoming. The FUND will be used to support students who do not qualify for certain federal financial aid as determined because of their citizenship status.

The scholarship awarding process shall be on such forms and in keeping with such procedures as are normally prescribed for ASUW scholarships at the University.

2. Funds available for appropriation may be awarded to one scholarship recipient or may be divided among two or more recipients. If there is no eligible scholarship applicant during a particular year, subject to the then current provisions of the FOUNDATION'S Investment Policy, the funds available for appropriation from the FUND may accumulate for use in subsequent years or may be permanently added to the corpus of the FUND.

3. Funds available for appropriation remaining on June 30 of each year will be reinvested into the FOUNDATION's endowment pool, but will remain available for expenditure by the DONOR so long as the original corpus amount of the FUND remains intact. FOUNDATION will use its best efforts to transfer funds requested for expenditure by DONOR as soon as possible, but reserves the right

¹ See W.S. § 17-7-304(a). Also known as annual distributions from the FUND.

PASSED 24-0

to transfer such funds over a period not longer than twelve (12) months, depending upon the amount requested and the cash flows of the endowment pool.

4. The FOUNDATION is authorized to accept additional gifts and/or bequests to this FUND from the DONOR or others.

5. While the DONOR intends that for the foreseeable future, the FUND shall be used exclusively for the purposes and in the manner set forth in Paragraph (1) above, the DONOR recognizes the possibility of changes in the field of higher education that could eliminate, at some future time, the need for funding as described in Paragraph (1) above. Therefore, the DONOR directs that should the FOUNDATION determine, after due consultation with the University of Wyoming President, and the DONOR if possible, that such is the case, then the FUND should be used for such useful educational purposes as the FOUNDATION may determine to be most closely related to the purposes set forth in Paragraph (1) above.

6. It is intended that the FUND shall be a component part of the FOUNDATION and not a separate FUND, and that nothing in this Agreement shall affect the status of the FOUNDATION as an organization described in section 501(c)(3) of the Internal Revenue Code and as an organization which is not a private foundation within the meaning of section 509(a) of the Internal Revenue Code. This Agreement shall be interpreted in a manner consistent with the foregoing intention and so as to conform to the requirements of such provisions of the federal tax laws and any regulations issued pursuant thereto.

The FOUNDATION shall have all of the powers provided in the FOUNDATION'S articles of incorporation and bylaws (specifically including, without limitation, the powers with respect to designated contributions) or otherwise provided by law in connection with its administration of the FUND.

7. The FOUNDATION shall maintain the FUND, including any additions to the corpus thereof, as a permanent endowment but shall, nevertheless, have full power and authority to invest the FUND and to sell all or any part thereof and reinvest the proceeds from time to time without being bound by any regulatory, statutory, or customary rules relating to investments by the FOUNDATION, provided, however, that such investments shall be made in accordance with the standards set forth in the Uniform Prudent Management of Institutional Funds Act (W.S. 17-7-301 to 17-7-307), and its successors. The FOUNDATION shall be under no obligation to make funds available for appropriation if, in the opinion of the University of Wyoming Foundation Board of Directors, making appropriations for expenditure would endanger the long term vitality of the FUND due to negative market conditions or would otherwise

PASSED 24-0

be in violation of the Uniform Prudent Management of Institutional Funds Act. The FOUNDATION may do so without limiting the generality of the foregoing and may:

- ✦ Invest and reinvest the assets of the FUND according to the FOUNDATION'S Investment Policy as approved from time to time by the University of Wyoming Foundation Board of Directors;
- ✦ Pool the subject matter of various gifts, bequests and devises into one or more funds for the purpose of investment and management;
- ✦ Employ the services of investment managers, investment counselors, brokers, custodial banks and others in carrying out the foregoing provisions, and to pay reasonable fees from the FUND for these services.
- ✦ Charge a reasonable fee to the FUND for FOUNDATION investment and administration as accepted and approved by the University of Wyoming Foundation Board of Directors.

In no way shall the use of the FUND for the purposes set forth in Paragraph (1) above be prejudiced. The FOUNDATION shall have full power to vote and execute proxies to vote corporate shares included in the FUND.

8. Notwithstanding all references herein to an endowed student enrichment fund, it is hereby understood by all parties concerned that when contributions to this FUND total less than \$25,000, after allowing a reasonable period of time to accumulate, the naming policy adopted by the University of Wyoming Board of Trustees prohibits the establishment of an endowed scholarship fund. In such an event, all of the contributed assets, plus any returns thereon or growth thereof, shall be disbursed as nonendowed awards, under the same criteria noted above, over a period of not more than five (5) years from such date as is determined solely by the FOUNDATION described herein.
