1. WHEREAS, the purpose of the Associated Students of the University of Wyoming
2. (ASUW) Student Government is to serve our fellow students in the best manner possible;
3. and,
4. WHEREAS, there has been discussion on campus regarding the potential
5. establishment of a Chick-fil-A restaurant in the Wyoming Union; and,
6. WHEREAS, in the Fall 2022 Student Issues Survey, shown in Addendum A, 20.5% of UW
7. student respondents, 219 of 1,290, identified as members of the LGBTQIA+ population; and,
8. WHEREAS, the same survey revealed that 85.66% of UW student respondents, 956 of 1,136,
9. were in support of a Chick-fil-A being brought to UW's campus; and,
10. WHEREAS, the same survey also revealed that 55.98% of LGBTQIA+ student respondents,
11. 103 of 184, were in support of bringing a Chick-fil-A to campus; and,
12. WHEREAS, in October 2022 UW conducted a National Chicken Brand survey asking
13. students and employees which chicken restaurant, of Chick-fil-A, Popeyes, or Kentucky
14. Fried Chicken, they would most prefer; and Chick-fil-A won with 67.6% of the vote out of

15. total of 4,021 responses; and,
16. WHEREAS, despite significant student support, there have been concerns raised about the
17. implications of bringing a Chick-Fil-A onto campus and the potential impacts this would
18. have on LGBTQIA+ students and communities, as shown in Addendum B; and,
19. WHEREAS, ASUW recognizes that Chick-fil-A has a long history of donations to anti-
20. LGBTQIA+ charities in the past and Chick-fil-A's chairman and former president, Daniel
21. Cathy, has a long history of making comments against the LGBTQIA+ community, as
22. shown in Addendum B; and,
23. WHEREAS, ASUW recognizes that the business has pledged to cease donations to these
24. anti-LGBTQIA+ students and communities but that this alone does not make up for the pain
25. done unto the LGBTQIA+ community by Chick-Fil-A; and,
26. WHEREAS, comments from all students are available in Addendum C.
27. THEREFORE, be it resolved by the Associated Students of the University of Wyoming
28. (ASUW) Student Government that ASUW acknowledges a large majority of students,
29. including a majority of LGBTQIA+ students who responded to the survey, support Chick-fil-
30. A coming to UW's campus; and,
31. THEREFORE, be it further resolved that ASUW also recognizes that Chick-fil-A has a very
32. anti-LGBTQIA+ history but has made recent improvements on this front; and,
33. THEREFORE, be it further resolved that ASUW acknowledges the concerns raised
34. over having a Chick-Fil-A on campus; and,
35. THEREFORE, be it further resolved that ASUW supports a Chick-Fil-A coming to campus
36. at the University of Wyoming, in accordance with the opinion of a large majority of UW
37. students, including LGBTQIA+ students; and,

PASSED: 15-0-6

38. THEREFORE, let it be further resolved that ASUW strongly urges the Board of
39. Trustees and University of Wyoming (UW) Administration to consider the impact that
40. bringing this business to campus could have on some in the LGBTQIA+ community who
41. expressed significant concern and to take proactive steps to mitigate these potential harms
42. and to support the values of the University of Wyoming and our student LGBTQIA+
43. population; and,
44. THEREFORE, be it further resolved that ASUW believes that, to directly support students
45. who may be adversely impacted, if a Chick-fil-A is brought to the University of Wyoming, a
46. significant portion of the proceeds generated by the presence of a Chick-Fil-A on campus
47. should go directly back to students, especially those in the LGBTQIA+ community, through
48. initiatives that aim to make UW a more inclusive campus; and,
49. THEREFORE, be it further resolved that in any decisions regarding allocation of
50. Chick-fil-A funds, ASUW and students, specifically including LGBTQIA+ students, should
51. be included in these decisions, as should groups focused on diversity, equity and inclusion
52. such as Multicultural Affairs, the United Multicultural Council, the Queer Community
53. Coalition; and the Office of Diversity, Equity, and Inclusion; and,
54. THEREFORE, be it further resolved that ASUW does not support the usage of funds
55. generated by the implementation of a Chick-Fil-A on campus to support Saddle Up or the
56. Office of Student Success and Graduation, as we do not believe this fulfills this obligation of
57. supporting LGBTQIA+ students; and,
58. THEREFORE, be it further resolved that a copy of this resolution shall be sent to the
59. UW Board of Trustees, President Seidel, and Vice President of Student Affairs Chestnut, and
60. electronically circulated to the UW student body upon its passage.

Addendum A

UW Campus Chick-Fil-A (2022)

Summary

The Chick-Fil-A portion of the ASUW Fall Issues Survey opened on Wednesday, September 7th and has received feedback from over 1,136 students. We acknowledge this feedback is limited, but are confident it is a representation of student concerns across campus.

On the whole, the majority of students (85.66%) “support” Chick-Fil-A coming to campus in the Student Union with nearly one-fifth of students either not supporting (11.02%) or “unsure” (3.32%). In addition to this quantitative data, there were numerous student comments regarding the impressions of Chick-Fil-A coming to the student union in terms of lessening a welcoming campus environment.

At this time, ASUW acknowledges the overwhelming support of Chick-Fil-A on campus but urges the Board of Trustees and the UW Administration to consider the impact bringing this business could pose to our campus community and values as well as our student LGBTQIA+ population.

On our campus in recent past months, there have been a number of situations in which UW’s support of the LGBTQIA+ community was brought into question and bringing Chick-Fil-A onto campus would only cause further harm in efforts made to build an inclusive environment.

Additionally, there have not been any known efforts to survey or outreach specifically to LGBTQIA+ community members about the prospect of Chick-Fil-A on campus. Avenues such as Multicultural Affairs, Student Organizations (Queer Community Coalition), and connections within the Office of Diversity and Inclusion (ODEI) could be lines of communication to further engage with these populations.

ASUW is open to additional conversation on this item or to connect Trustees or UW Administrators to students who may be impacted by this decision.

(Comments from LGBTQIA+ students shown to highlight community concern, all others shown in Addendum C)

“I don't support chick-fil-a because of their views on the LGBTQ community, would be odd to have them in the same building as multicultural affairs.”

“This restaurant is openly homophobic, and this would be a huge disservice to all of your students of the LGBTQIA2S community. It's an insult that you asked about wanting to improve relations with this community and then want this homophobic establishment to be set up on this campus.”

“Chick-Fil-A?? Are you actually kidding me. And here I really thought UW couldn't get worse about queer rights. Pathetic.”

“Bringing Chick-Fil-A onto our campus but be a wildly irresponsible decision. Considering Laramie's (and Wyoming as a whole) history with bigotry towards the LGBTQ+ community, it would seem like a slap in the face to the queer community. Matthew Shepard was not murdered in this town, and Shepard's Symposium does not host events every single year in his memory, for our campus to bring a known anti-LGBTQ business here. The football catering is simply enough.”

“I think most students will appreciate it. However, Chick-Fil-A has some history with supporting anti-LGBTQ organizations. The university needs to communicate to the students that Chick Fil A has stopped donating to such organization.”

“We shouldn't be supporting businesses that support anti-LGBTQIA+ politicians. Putting a chick-fil-a on campus could be seen as a slap in the face to many of our students.”

“I have no interest in a company which has both vocally and fiscally supported causes that are injurious to members of the campus community.”

“Support the local community. Maybe have a less politically and religiously affiliated option. It's more difficult but more rewarding if you don't take the easy way out.”

“I don't believe Chick-fil-a promotes a message that the University of Wyoming should be broadcasting; there are restaurants/businesses out there that are just as good and that better align with the values of the UW community.”

PASSED: 15-0-6

“Do not bring Chick-Fil-A onto campus. The company has shown continuous disregard and actively harmful intentions to people who its heads do not like. Bringing Chick-Fil-A onto campus would strongly negate the sense of support for LGBTQ+ students on campus.”

“Chick-Fil-A and companies like it have no place at UW. There are plenty of chicken restaurants that serve great food that doesn't fund conversion therapy, the ban on abortion, and legislature against LGBTQIA2S+ people.”

“I do not think UW aligns with the policies of Chick-Fil-A and should not bring them to campus.”

“I feel like bringing chick fil à to campus would be a direct insult to LGBT students on campus who already attend school in an extremely anti-LGBT state.”

“We could be doing more to support local businesses and we shouldn't be funding a business that has a history and continued presence in involvement in anti-trans bills.”

“I wouldn't support Chick-Fil-A due to their ongoing stance of funding anti-LGBTQ+ groups and legislation. I would support other chains or perhaps local restaurants coming to campus instead.”

“Given the initial questions regarding UW's support for its LGBTQIA community, I believe it is irresponsible and harmful for the institution to contract Chick-Fil-A, a corporation that openly supports & funds anti-LGBTQIA+ political figures and agendas. I would suggest that UW seeks out better options for other restaurants to come to campus.”

“No sure why you would have a restaurant that has been affiliated with anti lgbqia into an area that promotes acceptance of lgbtqia.”

“Chick-Fil-A is a problematic organization that funds homophobia. This would be sending a message to queer students that they are not valued on campus. Although other restaurant options on campus would be welcomed.”

“You think bringing an anti-LGBTQ group to campus is a good idea? You're already failing these students as it is; the only way in which I would support Chick-Fil-A coming to campus is if they made donations to LGBTQ support organizations (e.g., the Trevor project; I'll go With You Campaign) equal to all the donations they have already made to anti-LGBTQ organizations.”

“Other food options would be great. Something healthy and more sustainable. Chick-fil-a sends a very mixed message to LGBTQIA+ students that is making the job of LGBTQIA+ resources (Multicultural Affairs, UCC) are trying to promote. It would be just as profitable and less controversial to bring literally ANYONE else. May I recommend a chipotle or something?”

“Chick fil a is a homophobic chain that we should not support as a campus trying to improve diversity.”

“I think a different restaurant is welcome on campus, but given the controversy with Chick-Fil-A and the LGBTQ+ community, I think members of the LGBTQ+ community from our campus deserve to be heard about if they would welcome a Chick-Fil-A on campus.”

“Chick-Fil-A is unapologetically anti-LGBTQIA+. UW & ASUW will be sending a powerful message if Chick-Fil-A is given a lease here - a message that will resoundingly echo an anti-LTGBTQIA+ message of hate and discrimination. I urge ASUW to abort any further consideration of this plan.”

PASSED: 15-0-6

“Chick-Fil-A supports homophobic charities. That is the last thing we need on campus in a state that already constantly invalidates queer identities. I would be in favor of any morally neutral restaurant coming to campus, especially if it were a local business rather than a chain restaurant.”

“Maybe something that doesn't use peanut oil, which is a common allergen. Chick-Fil-A uses peanut oil for their chicken and I cannot come in contact with it, so it will make eating in the union more stressful.”

“Why bring a company that is not inclusive for everyone right to the center of our campus?”

“I do NOT. At all. Stand by Chick-Fil-A's views. Not even just regarding the LGBTQ community--they donate to conservative organizations that stand to dismantle human rights and higher education. I do not believe they are appropriate to have on campus, though I recognize that other restaurant chains are likely equally evil. Is a local place (Chachos?) a possibility to come to campus?”

“Chick-Fil-A is very anti lgbtq and anti anyone non religious so I don't support the business.”

“Chick-Fil-A has good food but I do not support such a religious organization and their very right wing stance.”

“Bringing a Chick-Fil-A to campus would send the message to students like me that we aren't welcome here. The money students spend there on our campus would go back to CFA, who can and will give that money to homophobic efforts, including conversion therapy. It is a terrible idea.”

“Chick-fil-A's continued anti-LGBTQ+ corporate stance and donations to hate groups and conversion camps should be disqualifying for being added to campus. No fried chicken is worth having a permanent symbol of LGBTQ+ hate on the campus that is infamous for Matthew Shepard.”

“Not sure that bringing Chick-Fil-A to campus sends the best message to our LGBTQ+ community about supporting them and their rights, since chick-fil-a owners have made some anti LGBTQ+ statements and donations to anti LGBTQ+ organizations. Culvers has a similar range and quality of food choices, and has good values, so I would recommend looking into bringing in a Culver's or other restaurant that does not have these uninclusive implications.”

“Don't get an organization that actively harms to LGBTQIA+ community and say y'all care about the LGBTQIA+ community. Get a Cane's or something better.”

“Chick-fil-a is actively very homophobic and considering you were just asking how I as a queer student felt supported on campus this would make me feel even less supported.”

“I've not understood for a long time why we don't have a Chick-Fil-A. I would absolutely support them and know our UW campus would too.”

“We should not support a company who is so strongly against the queer community. It would be bad for the people of that community and a bad look for the university.”

“I think having a Chick-Fil-A on campus would send a wrong message to LGBTQ+ students that the university "cares" about LGBT people but doesn't care enough to have a known business that actively donates to anti-LGBT organizations and politicians.”

“It's homophobic chicken but would also boost our local economy.”

PASSED: 15-0-6

“The university has no business bringing and incredibly outwardly and popularly homophobic business on to campus. Supporting queer students and not othering them is far more important than waffle fries. A different restaurant would be sick though.”

Chick-fil-A's History with the LGBTQIA+ Community

Abstract

Chick-fil-A, through its foundation and charitable arms, has a long, public history of donating to causes that actively and unapologetically oppose the rights of lesbian, gay, bisexual, transgender and queer (LGBTQ+) individuals.

The company was thrust into the national spotlight in 2012 because of both the vocal intolerant public statements made by the company's leadership and the patterns of corporate donations made by the company's charitable foundations.

Donations during and prior this time went to places including the Paul Anderson Youth Home, which teaches boys that homosexuality is wrong; the Salvation Army, which has a long record of opposing legal protections for LGBTQ Americans; the Marriage and Family Foundation, an organization devoted to upholding "traditional" marriage; Exodus International, which claims to "cure homosexuality" through psychological coercion of LGBTQ people, has called LGBTQ "perverse," and are prominent proponents of the "ex-gay" movement and of the psychologically, sexually, and physically abusive practice of conversion therapy; and Focus on the Family (FOF) and its offshoot group, and the Family Research Council (FRC), which have been designated as a hate group by Southern Poverty Law Center.

Donations to at least some such organizations quietly continued to at least 2017. For example, Chick-fil-A had donated \$1.6 million to the Fellowship of Christian Athletes in 2017, an organization that requires its members to adhere to a "sexual purity" policy that outlaws "homosexual acts." They also donated to the Salvation Army, which has a history of discriminatory practices against LGBTQIA+ individuals, and at the time of Chick-fil-a's donations these practices were ongoing.

In addition to Chick-fil-A's corporate donations, its former CEO and President and current Chairman, Dan Cathy, has also privately donated to organizations that are directly opposed to LGBTQ+ rights, though it is not known if he has done so since 2018.

Business Insider notes in a 2021 article that "according to 990 tax filings, the Dan and Rhonda Cathy Foundation donated \$5,750 to the NCF in 2018, 2017, and 2016, the most recent years the filings are available." The NCF, or National Christian Charitable Foundation, was strongly opposed to the Equality Act, a proposed act of Congress that would amend existing civil rights law to explicitly include sexual orientation and gender identification as protected characteristics.

In 2019, the Chick-fil-a Foundation ceased donations to these organizations, as well as other charities, as part of a shift in philanthropic efforts that coincided with a change in leadership. Within the same year, Chick-fil-A pledged to work exclusively with organizations that focused on education, homelessness, and hunger. On a 2021 report published by Chick-fil-A, the

PASSED: 15-0-6

company donated \$3.1 Million to Feeding America and Second Harvest, which provided around 1.5 million meals that year. Also notable is that the Salvation Army has since addressed their homophobic past. Despite ceasing donations for the time being, the foundation stated that they would still consider these organizations for donation in the future, though they have not done so as of 2022.

change is good! and chick-fil-a is amazing

none

anti-LGBTQ organizations have no place on our campus.

I think chick Fil a would be a AMAZING addition to campus

PLEASE BRING CHICK-FIL-A!!!!

AWESOME IDEA 10/10

People ar mead because it's "anti-LGBT" even though it's just a big wig of the company donating his own money, not the org itself, and chick fil a tats yes great and this is literally a COLLEGE TOWN without one.

PLEASEEEEE FOR THE LOVE OF ALL THINGS GOOD

would love

The students of Laramie deserve a chick fil a

Fully support. best idea yet!

I did this survey just for the Chick-fil-A

We all need more chicken!

Get here first, lot of profit to harvest

Yes

PLEASE BRING CHICK FIL A!!!

We need chick fil a

Please get a chick fil a, it would do very well in the union

ABSOLUTELY CHICK-FIL-A IS A MUST

We need it

would not mind

PASSED: 15-0-6

Q26

I think a Chick-Fil-A on campus would be amazing!

Chick-Fil-A would be awesome

Very smart

We need better restaurants

Chick-Fil-A is something different that would be nice to have

BRING IT TO THE UNION. EVERYONE LOVES IT

They are anti-lgbtq

We would LOVE it

Please bring chick fil a

I think this would be awesome! Kids already drive to Cheyenne for it.

If Chick-Fil-A doesn't come to campus I'll cry

What a great idea! Many times we drive to other cities to just get chick fil a. It's a great way to keep money in Laramie and make the university some money

I'd love Chick Fil A, I'm been saying that for years

It would be a disservice to students to bring Chick-Fil-A and it would cause more unrest and division in the future.

The more the merrier!

I would eat there everyday!

this would be awesome!!

I would love more restaurants on campus but as long as we still have our union parking since there is literally nowhere to park on campus. There's nowhere to park on campus because the freshmen already don't have parking so they are parking up and down the streets and then the upperclassman are not able to get to class and campus because there is literally nowhere to park except for the union parking after 5:00pm. At least at the beginning of the day we can make use of the bus system but when the bus system closes towards the end of the day that is when we park in the union parking so that we can access the library and the Union. Taking away this parking is a horrible idea especially if it's to replace it with greenery. There is no need for that is there is a need for more parking

I think having Chick-Fil-A on campus would be a great addition!

I think a chick-fil-a would be great and be very busy

Chick fil a would be an amazing idea

Do raising cane's instead. We don't need more homophobic institutions associated with Laramie/UW given our history and present

Q26

It would be great. More variety in the union I believe it would be very much beneficial for the students

I like the idea

A burrito place like qdoba would be nice

Chick fil A is a good idea, but its constantly going tl be busy which i hope will be accounted for in the design.

Chick-fil-a would be the best option.

I don't think it should be on campus. There's not enough room anywhere. It should be somewhere in Laramie though

I will gladly pay a extra \$1000 in tuition for this

Please do it

Chick-fil-a would make so much money in Laramie, especially if they weren't on campus. I think they should put a chik fila somewhere on grande or buy the plaza

We need more options and more pay raises,

Forget the restaurant. Gives us back our free parking.

I love it! Keep them coming! I would actually be on campus more if there were more dining options.

Please, we need a wider variety of on campus food and that would be the best

This absolutely needs to happen

I think a Chick-Fil-A would get a lot of business, and then Panda Express wouldn't be as busy during the rush times

PLEASE

I would trade my firstborn for a chick fil a on campus

Canes should also be a restaurant that comes to campus

raising canes

100% do it. I would like more options that pita pit, sushi, and panda

No

That would be super beneficial

We could do with many restaurants coming to campus, especially for lunch hours. I would suggest parking if sorts for the restaurant so they can get more business

PASSED: 15-0-6

Q26

There is no place on campus for any business that is openly anti-LGBTQIA+. Hate should not be allowed on campus. Didn't we learn anything from Matthew Shepard?

It's homophobic chicken but would also boost tf out of our local economy.

That would be life changing

BRING CHICK-FIL-A

This is a no-brainer...

No homophobic chicken

Some kind of fried chicken or KFC would be good

It would be a hit

Please put a chick fil a on campus

no i desperately need a chick fil a in my life, it would make being away from home better.

Are you going to make it more expensive like the other places in the union?

Bring it pls

I've thought for years that Laramie should have a Chik-Fil-A on campus while students are here. I'm not sure how successful it would be in the community while school isn't in session but on campus with students would be very strongly supported.

Chick-Fil-A is a must

Absolutely yes!!!

Chipotle would also be a nice addition.

Chick fil a should 100% be here

I love Chick-Fil-A

I love Chick-fil-a

Chick-Fil-A oh a beautiful place where the cows frolic and the people smile. One day I hope to see the sacred sauces of chic fil-a in the union

I would love a Chick-fil-a. I consider it a tragedy that for most of my life I've lived in a place where the nearest Chick-fil-a is in Cheyenne, and I went to college in a place where the nearest Chick-fil-a is still in Cheyenne.

They are homophobic

The university has no business bringing and incredibly outwardly and popularly homophobic business on to campus. Supporting queer students and not othering them is far more important than waffle fries. A different restaurant would be sick as hell though.

PASSED: 15-0-6

Q26

Chick fil a would do phenomenally on this campus and drive a lot of business even from the community

I think a chick-fil-a would be a great addition on campus.

HELL YES!!!!

would spend ridiculous amounts of my money at a chick-fil-a.

Please bring chic fil a or Wendy's or something actually good!

It would do better than Panda Express.

PLEASE CHICK-FIL-A OR CANES

Chick-Fil-A is an awesome restaurant and would be busy 24/7

It would give way more options. Canes or chick fill a. Chicken please

Do it!!!!

Yummy. A qdoba might be good

Canes or Dutch Bros

Raising Canes has much better flavor and they don't contribute to extremist campaigns

Please bring Chick-fil-a to campus!

Chick-fil-a has homophobic stances and donates to homophobic organizations and politicians. A Chick-fil-a in the union would be a slap in the face to all LGBTQIA+ students, and would undermine all efforts to support the LGBTQIA+ Community on campus. If you care about the queer community at all DO NOT get a chick-fil-a in the union. I am firmly against it.

Please do!

Do it before I graduate in may

Yes chick fil a!!!

Absolutely not chick-fil-a never ate their or supported it I feel like it would make campus possibly an unsafe environment best to pick something else

Raisin canes too

Chick-fil-A would do so well in the Union. I fully support.

Would be nicer to have one in the community than on campus, there is no parking to get on campus for non traditional students

It would be an exciting thing for campus that will encourage students and community members to come on campus and enjoy good food. The salads should be excluded to add another healthy variety to the Union.

Q26

LETS GOOOOOOO

Chick fil a would be amazing, as well as generate a lot of money

Please give us chick fil a

Chick-Fil-A is wonderful. Please bring it to campus.

Chik fil a would be a great addition. Lots of students would eat there.

We need it

They're already getting rid of the Union parking lot I can't imagine the nightmare it would bring to have no parking and a chick fil a. Put it somewhere else in Laramie but not a building that will soon have no direct access. Talk about not being accessible to disabled folks.

Chick fil a would've amazing. More places to congregate/work/study inside would be extremely useful

Students drive 45 mins just to get chick this is a great idea

It would be an insult to queer students to bring an openly anti queer business to campus

Chick-fil-a would be amazing!

Yes please put a Chick Fil A on campus.

We need it

I love chick fil a

Chick-fil-A would be amazing, and I could very much see it succeeding

I am A-okay with a chick fil a on campus, just not okay with Ed Seidel still being here

Please god bring one to campus

Get it done

Please put in a chick fil a im begging

Please bring Chick-fil-A to campus. The revenue would be astronomical

Chick-fil-A supports the genocide of those under the lgbtqia+ spectrum, as well as harmful misinformational rhetoric pushed by the politicians they choose to donate to and support

Chick fil a has adapted to the times; they've stopped donating to groups with anti-LGBT stances, instead focusing on youth sports and other non-profits that benefit all members of their communities. Their food is excellent, they're a charitable force for local communities, and quite frankly anyone opposed to Chik fil A simply hates joy. I'm atheist, so the religious ties don't thrill me, but the value and quality of food/service chik Fil a provides is unrivaled. Panda Express is great, but I'd love if I could get non-sushi for lunch in under 40 minutes consistently, which is something Chik fil A is capable of.

Q26

Bring it on

Chick-Fil-A at the union would be the single best decision the University could make at this time.

Bring it

They would make bank and fit in the culture of the university.

Yay chick fil a !!!

Pls dear god I get Panda Express everyday I need more options

yes! I would love for there to be a chick-fil-a or canes

Please

Bring Chick-Fil-A asap

We need a Dunkin' Donuts on campus or in Laramie

Chipotle

Chick fil a is the best restraint ever

Chic fil a is a necessity i would go there weekly!

Do it we need more food choices

Laramie is lacking chicken restaurants!

we need more options and maybe a dutch or chick-fil-a would be good

There should be more restaurants on campus because students would love it and it would be popular because students like having direct access to these things

Please chick-fil-a

I would love a Chick-fil-A a

If the university wants the LGBTQ+ to feel respected and supported, they wouldn't endorse installing a Chik-Fil-A in The Union

Please put a Chick-fil-A I'm tired of driving to Cheyenne

While I do not have celiac disease, my sister does and I have a strong sensitivity to gluten. It is very hard to find gluten free options to limit my exposure. Chick-Fil-A has a few gluten free options that would add greatly to my experience in the union and my food options.

I would only stay enrolled in this university if a chick-fil-a comes soon

Q26

PLEASE BRING CHICK-FIL-A !!!

Have them open longer (if staffing allows)

It would be amazing!

Please let this happen this is literally the only reason I filled this out 🙏

Need better restaurants on campus. Chick-Fil-A, Noodles and Company, Canes, KFC, Chipotle, and more

mmm chicken sandwiches

Def chick-til-a. A canes, firehouse subs, more late night dessert places

Something Italian might be nice

do it

Chick-fil-A would do fantastic here and would make many students very happy.

Do it

I have a dream. I have a dream that one day my children and my children's children, will be able to walk into the student and experience the taste of the best chicken to ever grace the earth

TAKE MY MONEY ALREADY

Chick-Fil-A would be a game changer! We already have an awesome variety but I feel like we have lost some of it since COVID

That would be sick

This needs to happen asap.

I strongly support Chick-fil-A coming to the union

There is not a single soul who would not want chick fil a on campus

It'll be packed

Please do it. It would be amazing for a chick-fil-a to be in the union

They are effectively a hate group that should not have a place on the university.

They have to be prepared because they will be busy

Please!!!!!!!

DO IT PLEASE DO IT I LOVE CHICK FILL A AND I RIDE FOR THE BRAND

PASSED: 15-0-6

Q26

YES CHICK FIL A PLEASE. And also an extra couple of hours for Panda Express being open in the afternoon

PLEASE

Would bring in a lot of money

Adding a chick Fil a would take stress off of panda and give students a more familiar option

Please

Please bring chick-fil-a to campus

Very hopeful that it comes i would absolutely love it

Better put 2 chick fil a's on campus cause 1 would be mad busy all the time

That would be amazing:)

It would be better off campus that way it can support a drive thru. Would not work without a drive thru

I love Chick-Fil-A, I also think it will make a lottttttt of money.

Keep Panda Express and Pita Pit, but bring in new options!

Chick-Fil-A or a Raising Canes would be good for the union

I would love a Chick-Fil-A on campus. It would be a fabulous edition to campus. It would also draw attention to future students as the closest one is in Cheyenne and I often find myself having to make that trek.

I want a smoothie place!!

If you did change up the restaurants, please change up the hours too! The restaurants aren't open long enough for many people to enjoy them.

I think plenty of people would support chick fail a on campus

I'd do a 2nd undergrad degree if chick-fil-a comes to campus

Chick fil a would be so beneficial or Costa vida

I would eat on campus a lot more often if there was a Chick Fil A

I thinkthat ot would be a great for the students

Yes yes yes

LESssSssss GOoOoOoO

I think having a chick-fil-a come to campus is a great idea since the closet one in located in Cheyenne.

Q26

definitely chick-fil-a

More options for dining in the union are always welcome

This is the best idea that the student government has ever had

Bring them

Chick-Fil-A would be a great addition to the options in the union. If it is not Chick-Fil-A, there should at least be gluten friendly options

Please bring more options to campus. Maybe make plans that have more dining dollars so that we have more choice, or if we're far from washakie that we might have somewhere else to go between classes. Washakie sucks and has given a handful of my friends food poisoning, please get us real food i beg you.

Give us Chiken

Yes, it's highly affiliated with Christianity and religious groups like this has no place on campus regardless

I think it's a great idea

Bring in a Taco bell, replace Fuji San. We need mroe places to eat, and the union has plenty of space to facilitate this

chick fil a has demonstrated a history of homophobia, which is already an existing issue on campus

It is known for being homophobic and not being inclusive. Even if they have changed as a corporation they still are known for that. It would not be inclusive to bring in a company that doesn't respect the lives of many student on this campus.

Please do a different fried chicken restaurant. Chick-Fil-A actively passes legislation in other countries that ACTIVELY harm the queer community. It's disgusting and for a campus that really wants international students here it feels like a slap in the face.

You can't support LGBT+ students and fund chick fil a. This will make LGBT+ students feel like their identity is worth less than a chicken sandwich.

i think a dutch bros coffee would do well on campus, especially with all the Colorado kids here.

Yes please and with better hours for students taking classes around dinner time

So happy with this decision!

it would make a lot of money

I would advocate for a canes coming to campus instead of Chick-Fil-A because not only is Chick-Fil-A associated with homophobia, but canes also just has better food overall

Chick-fil-a supports homophobic values and ideals. They have a history of this and the fact that we are attempting to bring one onto campus on the 25 year anniversary or Matthew Shepherds attack is disgusting and very telling about this university's priorities.

i think that it would be a great idea

Please give us more food options on campus!

PASSED: 15-0-6

Q26

Please get a Chick-Fil-A

I do not purchase from them anymore due to their business ethics (both treatment of employees and LGBTQ+ statements). Im also a vegetarian so not like I can eat most of their menu anyway.

The idea of more restaurants on or near campus is good, but referencing Chick-Fil-A in particular shows how the university has a long way to go when it comes to supporting its LGBTQIA2S+ students. Chick-Fil-A openly supports homophobic organizations.

I LOVE Chik-Fil-Et!!!! I would also like to see a pizza hut (or pizza option) added, and lastly, a diabetic friendly place to eat.

I support Chick-Fil-A coming to campus, especially as a student with Celiac. Chick-Fil-A is only of a very few restaurants that is "safe" to eat at with gluten restrictions (that being said, UW does NOT do a good job at providing options for severely diet restricted students)

love chik-fil-a

Put Chick-Fil-A where Fujisan is because Fujisan is not that good.

I LOVE CHICK FIL A

I WOULD LOVE CHICK-FIL-A

Chiplote

We should bring back the chicken tenders place in the union

Ill manage it lol

Please bring chick fil a

Although I do think it should come to campus, I feel we need to strive to make it inclusive for all.

subway

Popeyes

no

Thai restaurant

Would be a great addition and influence a lot of income for the school

Chick-fil-a is a must have on campus.

Raising canes!

Freshens would be a good healthy addition. there aren't enough healthy options on campus

Sounds awesome and delicious

PASSED: 15-0-6

Q26

We have a lot of bigger issues to deal with than fast food around here

I will cry of joy.

Chick-Fil-A please

Raising Canes

add a canes too

I am a muslim student and eat only halal meats. Unfortunately, there's no halal meat option on the campus. Could you please arrange such thing?

n/a

N/A

NA

I think having a restaurant with fried chicken would be great, but I don't like supporting chick-fil-a

Chick-Fil-A would be a big hit

PLEASE CHICKFILA

Chick-Fil-A would be a great addition to Campus. It's fast and easy and would provide a great alternative to the Panda Express in the Union. The addition of the new sushi place next to the Pita Pit was also a great idea. So props to whoever came up with that.

We need more food options. Chick-Fil-A is a big player that will help a lot. Plus they have great food.

This would be a fantastic idea and should ABSOLUTELY happen.

Chickfila is evil and way anti gay

I don't support chick-fil-a because of their views on the LGBTQ community, would be odd to have them in the same building as multicultural affairs

PLEASE GIVE US A CHICK-FIL-A. PLEASE.

I would like the restaurants to stay open longer. Some of us have jobs off campus and cannot be at the school before 2

I would love Chick-Fil-A to come to campus.

I think Chik-Fil-A would be really good

I like Chick-Fil-A but they are also pretty anti-queer so I don't like that.

Please and thank you!!

PASSED: 15-0-6

I recently graduated from Auburn University in Alabama and the Chick fil A in their student center is one of the highest grossing Chick fil A's in the country. It'd be awesome.

Come

N/A

Its great. Please bring one to campus

Chick-Fil-A?? Are you actually kidding me. And here I really thought UW couldn't get worse about queer rights. Pathetic.

that would be great. I would do very well

Chick-Fil-A, given what I've heard from students, would be a huge success on campus.

n/a

MAKE IT HAPPEN

Please bring Chik-fil-a.

We shouldn't be supporting businesses that support anti-LGBTQIA+ politicians. Putting a chick-fil-a on campus could be seen as a slap in the face to many of our students

I have no interest in a company which has both vocally and fiscally supported causes that are injurious to members of the campus community.

Should definitely happen

BRING CHICKFILA also raising Canes would be a great addition to campus

I think panera would be good

It would be popular

NA

Support the local community. Maybe have a less politically and religiously affiliated option. It's more difficult but more rewarding if you don't take the easy way out.

Ditch this idea and do a Noodles and Co. instead.

none

I think that EVERYONE would love to have it

LGBT and Abortion Rights > Chicken

Chick-Fil-A is the best fast food restaurant in the world, should be at the university.

PASSED: 15-0-6

Q26

Yummy food!!

I think it would be good. Panda is the only place open past 4pm. It would be nice to have a variety on campus of places to eat for dinner

Please come

Please get one of campus, everyone wants one.

I think that is a great idea!

Please. leave politics out of it.

I think most students will appreciate it. However, Chick-Fil-A has some history with supporting anti-LGBTQ organizations. The university needs to communicate to the students that that Chick Fil A has stopped donating to such organization

I don't believe Chick-fil-a promotes a message that the University of Wyoming should be broadcasting; there are restaurants/businesses out there that are just as good and that better align with the values of the UW community.

CULVERS

I think any sort of friend chicken place would be great! Or anything that's different than what we have at the moment. I would be cautious of chick fila and their views and some of the student body at our campus.

We need it so much.

Chick fil a is a great idea for campus!

Many corporations have contributed to homophobic organizations so we shouldn't only single out chick fil a.

I would love to have a mini grocery store on campus. Students could save a lot of time for grocery shopping in other place that is far away from the residents hall.

I would love to have a chick-fil-a come on campus!!!

no

Doesn't the owner of Chick-Fil-A still put forth funds towards anti-LGBTQ+ legislation?

I would go to Chick-Fil-A VERY often

Do not bring Chick-Fil-A onto campus. The company has shown continuous disregard and actively harmful intentions to people who its heads do not like. Bringing Chick-Fil-A onto campus would strongly negate the sense of support for LGBTQ+ students on campus.

No. Quit cancel culture

Chick-Fil-A and companies like it have no place at UW. There are plenty of chicken restaurants that serve great food that doesn't fund conversion therapy, the ban on abortion, and legislature against LGBTQIA2S+ people.

Make them so the rewards programs and gift cards can be used at them unlike the panda express and starbucks

PASSED: 15-0-6

Q26

I do not think UW aligns with the policies of Chick-Fil-A and should not bring them to campus.

Chik-Fil-A would make an insane amount of money here.

please bring more restaurants to campus

I would love to see a Dutch Bro's or another big chain restaurant such as McDonald's. Having more options for students when it comes to food is a great thing.

Chick-fil-a is the best fast food chain in america

It's good to have a variety of options available for students

Please make this happen.

I would much rather give my money to a chicken chain that doesn't have a history of oppressive political backings.

I would love to have a Chick-Fil-A on campus but I feel like it would become over crowded

I think that would be a FANTASTIC thing to have Chick-Fil-A come to campus. I know MANNYYYY students drive to FoCo or Cheyenne just to get Chick-Fil-A, and having that located on campus would make that campus would make that commute dramatically safer for everyone involved. I think it's a great idea.

Don't jack up the price

I would also campaign for a Chipotle to come to campus. I believe it would bring in a ton of revenue to the campus.

I would love chic fil a and chipotle.

I do not agree with what they stand for as an organization

Please bring Chick-Fil-A!!!!

I'm anti-Chick-Fil-A simply due to their anti-LGBTQ+ stance.

It's Chicken, mmm good

I currently can't eat at any campus restaurants because I have celiac. It would be nice if there were more safe (both problem ingredient and cross-contamination free) food options on campus for those of us with allergies, intolerances, and other diet restrictions. I also wish allergen and gluten content and contact information was available for on-campus dining.

YESSSSSSSSSSSS

Whole foods market. (Something like raw milk)

While I understand the politics behind chick fil a coming to campus, I genuinely think it coming would be a good thing for campus. It would increase business and traffic to the Wyoming union as well as campus in general. If you do not support chick fil a and their ideals, just dont eat there.

Chipotle

PASSED: 15-0-6

Q26

I would love to see a Chick-Fil-A on campus. There isn't much choice of chicken in town or on campus.

I want a Cane's Chicken instead. Now that's the best fast food chicken in America. Also, I am offput by Chick-fil-A's questionably homophobic corporate track record

Canes

I don't support the organization because of who they donate to but it would be nice to have another restaurant on campus. I would personally love to have a Chipotle here or at least another semi healthy restaurant.

I feel like bringing chick fil à to campus would be a direct insult to LGBT students on campus who already attend school in an extremely anti-LGBT state.

I don't appreciate that they're anti-LGBTQ+

bring chick fil a (but with pride flags)

Please bring Chik-Fil-A, the rest of the restaurant options are terrible

Fine with it as long as student employees are paid a fair and competitive wage.

Culver's is pretty good

They have great tasting homophobic chicken, just make sure they don't mistreat their workers like the one in cheyenne did.

The more the better

No matter how good someone might think their chicken is their shady business practices and actions against the lgbtqia2s+ community shouldn't be overlooked.

I think this could be a good addition to campus and help spur interest in the dining options for students. I would also highly encourage bringing a Kung Fu Tea to campus!

More ethnic food please.

we definitely need a chick-fil-a

Yes, we need a greater selection for restaurants.

1. They hate the gays. 2. Trucking in sandwiches for home games from Cheyenne is stupid and a waste of time and money. 3. Chick-fil-a honey mustard is god tier.

A) Please Chick-Fil-A B) Raising Kanes C) Something other than Panda

We could be doing more to support local businesses and we shouldn't be funding a business that has a history and continued presence in involvement in anti-trans bills.

Anti-LGBT political contributions. Food is overrated.

The Chick fil a company has donated to Anti-LGBTQ funds. Please bring a five guys to campus

PASSED: 15-0-6

Q26

maybe pick someone not openly homophobic/transphobic

What about Culver's or Runza, or some type of quick pasta shop?

I think any new restaurants would be beneficial for more variety. I also think they need to have more stay open past 2. I haven't been able to use many diner dollars yet because I am not available to do so until the evenings.

Homophobic, yes. But still delicious.

I would love to have CFA on campus or even better, Popeyes!!!!

Something healthy yet affordable for college students

I would really love to have a chick fil a in laramie

CHICK-FIL-A BABY WOOOOOOOOO. Also we need a Panera's in town I am down bad.

Panera?

Raising Canes

Chic-Fil-A would be amazing on campus and I would love it.

Please I'm from Denver and not having a Chick near by is killing me please pleaseplease

I mean asking this question and about the LGBT community in the same survey feels awkward. Plus the Matthew shepard foundation...

PLEASE PLEASE PLEASE bring chick-fil-a to campus

Chick-Fil-A would be a huge benefit to not only this campus but to the community

Chick-Fil-A or Panera

I think that Chick-Fil-A would add a dose of positivity as many students and community members enjoy their food.

I believe that it would be great, more variety

100% down to have chic fil a here. And any other restaurants for that matter.

A SMOOTHIE PLACE (something healthy)

I love Chick-Fil-A so much.

Please, please, please bring Chick-Fil-A to campus, I would love that.

While Chick-Fil-A is a homophobic company that supports anti-queer and trans rights, they're food is really yummy and they would do well here on campus. Also we just need more options on what to eat at the Union.

Q26

I wouldn't support Chick-Fil-A due to their ongoing stance of funding anti-LGBTQ+ groups and legislation. I would support other chains or perhaps local restaurants coming to campus instead.

Let them come with open arms. We have no chicken restaurant in town.

Chick-Fil-A is a great idea and it should be added ASAP

Given the initial questions regarding UW's support for its LGBTQIA community, I believe it is irresponsible and harmful for the institution to contract Chick-Fil-A, a corporation that openly supports & funds anti-LGBTQIA+ political figures and agendas. I would suggest that UW seeks out better options for other restaurants to come to campus. A suggestion would be CAVA.

Mmmmmmm

Crumb Cookie!!

I mean like, in what world is that line for a Laramie Chick-Fil-A not stretching out for miles, straight up

It would be fantastic

I don't want any religiously affiliated organizations on campus unless they're run by students

I think Chick-fil-A would do very well

Yes I think that's great. I would welcome this types of restaurant in the campus(KFC, McDonalds)

Bring back book and bean please, it's the best coffee on campus

No sure why you would have a restaurant that has been affiliated with anti lgbqia into an area that promotes acceptance of lgbtqia

The sooner, the better; I would recommend using the rendezvous cafe as the space.

If you don't want Chick-Fil-A you're nuts.

Chick-fil-A on campus however create an online ordering system to prevent lines and crowding like the ones around Panda Express.

It would be awesome!!!

I feel that opening campus up to more restaurants is good for those who are unable to eat at home whether that be due to class schedules or other reasons. It also helps those who are not on a meal plan with Washakie and it will provide more income for the University.

Chick-Fil-A would not only give students another great option to get lunch and dinner, but would help fuel our campus funding.

Add another restraint, something like chick fil a or like a chipotle or such, it would be a cheap nice restaurant to have for students on campus

More food options for students without a dining plan would be great- currently hours are not great for the food options

This restaurant is openly homophobic and this would be a huge disservice to all of your students of the LGBTQIA2S community. It's an insult that you asked about wanting to improve relations with this community and then want this homophobic establishment to be set up on this campus.

Q26

No comment

I'm 100% on board with a chick fil a coming to campus

I love Chick-Fil-A, I am just sad that we are now starting to potentially introduce a Chick-Fil-A, while I am a senior instead of when I was a freshman.

Chick-Fil-A is a problematic organization that funds homophobia. This would be sending a message to queer students that they are not valued on campus. Although Other restaurant options on campus would be welcomed.

I would be fine with any other restaurants coming to campus, like KFC, just not Chick-Fil-A. The CEO supports homophobic establishments and I don't want to support a business like that.

Yes to chick-Fil-A. Opening up the rest of the restaurants would be good too.

The more restaurants the better!

Please

I think that restaurants coming to campus is a good thing, as different people have different tastes. Not only that it helps students get different foods if all they eat is the food on campus.

Something other than Chick-Fil-A!

PLEASE BRING CHICK-FIL-A!!!!!!!!!!!!

Chick-Fil-A is amazing and would take in cash if it was on campus. Please, please, please do your best to get Chick-Fil-A here.

They should be open for more than a couple hours per day

You think bringing an anti-LGBTQ group to campus is a good idea? You're already failing these students as it is; the only way in which I would support Chick-Fil-A coming to campus is if they made donations to LGBTQ support organizations (e.g., the Trevor project; I'll go With You Campaign) equal to all the donations they have already made to anti-LGBTQ organizations.

Chick-Fil-A is the best restaurant to have ever graced the planet. i promise i would eat it on campus daily

We need a chicken place on god.

I think Chick-Fil-A would be a very good addition to campus, preferably in an easily accessible spot for all students.

I think the campus needs more options, the only real fast option is Panda Express, but the line is almost always prohibitively long, and I'm unable to eat between classes

I think it's a good idea! It provides good variety

I LOVE CHICK-FIL-A!

Just from being here for three years, everyone wants chic do it would be widely supported by campus

Chick-Fil-A is a religiously conservative and outwardly prejudice towards people in the LGBTQ+ community. There is enough ignorant and blatant antagonism on the UW campus; there is no need to add it from a corporate entity.

Q26

Bringing Chick-Fil-A onto our campus but be a wildly irresponsible decision. Considering Laramie's (and Wyoming as a whole) history with bigotry towards the LGBTQ+ community, it would seem like a slap in the face to the queer community. Matthew Shepard was not murdered in this town, and Shepard's Symposium does not host events every single year in his memory, for our campus to bring a known anti-LGBTQ business here. The football catering is simply enough.

This restaurant is not Sunday friendly

Chick-Fil-A is a homophobic business...

Fuck Christo-facism

maybe not in the union because the lines would be absolutely insane

Please bring it I would love that!

I just want fried chicken, I don't care who sells it.

I think it would benefit the campus a lot!

Other food options would be great. Something healthy and more sustainable. Chick-fil-a sends a very mixed message to LGBTQIA+ students that is making the job of LGBTQIA+ resources (Multicultural Affairs, UCC) are trying to promote. It would be just as profitable and less controversial to bring literally ANYONE else. May I recommend a chipotle or something?

I would want a vegan option due to food allergies.

I think Chick-Fil-A would be very popular and a good choice.

I would love to have a chick-fil-a on campus!

5 Guys would rip

Sounds great but the parking will be terrible!

I want Ckfa rn

YES CHICKFILA

Again, there will be a small, vocal minority that opposes it with most of the student body being neutral or advocating for it.

It's irrelevant if their food is tasty. They are a bigoted organization that has promoted anti-women legislation, anti-reproductive rights movements, and anti LGBTQ social efforts. Why should we give them a spot in the union?

This is an excellent idea. We could use extra revenue to support students (e.g. food pantries, scholarships, parking). As someone who is from out of state and had unlimited Chick-fil-A access, students would love the access.

Yes please I'm sick of Panda Express and bagel bros

This is the best idea I have heard

I would like to have a restaurant that offers healthy food for a reasonable price. And more international cuisine.

Q26

I would prefer Culver's over Chick-fil-A as they are high quality food and are not homophobic.

Chick-Fil-A is an anti-gay organization and should not be affiliated with UW.

Chick fil a is a homophobic chain that we should not support as a campus trying to improve diversity

I mean, I'm not a fan of the homophobic chicken, but who am I to stop other people from eating there.

I think a different restaurant is welcome on campus, but given the controversy with Chick-Fil-A and the LGBTQ+ community, I think members of the LGBTQ+ community from our campus deserve to be heard about if they would welcome a Chick-Fil-A on campus.

Chick-Fil-A is unapologetically anti-LGBTQIA+. UW & ASUW will be sending a powerful message if Chick-Fil-A is given a lease here - a message that will resoundingly echo an anti-LGBTQIA+ message of hate and discrimination. I urge ASUW to abort any further consideration of this plan.

Chick-Fil-A supports homophobic charities. That is the last thing we need on campus in a state that already constantly invalidates queer identities. I would be in favor of any morally neutral restaurant coming to campus, especially if it were a local business rather than a chain restaurant.

More restaurants of any kind would be great

I don't eat Chick-Fil-A. I am on a budget.

maybe something that doesn't use peanut oil, which is a common allergen. Chick-Fil-A uses peanut oil for their chicken and I cannot come in contact with it, so it will make eating in the union more stressful.

Please, have Chick-Fil-A come... Please!

I would love Chick-Fil-A

It would be a great addition on campus

Why bring a company that is not inclusive for everyone right to the center of our campus?

Bring chick fil a

food is divine homophobia is unslay

Bring Chick-Fil-A, it's great.

I do NOT. At all. Stand by Chick-Fil-A's views. Not even just regarding the LGBTQ community--they donate to conservative organizations that stand to dismantle human rights and higher education. I do not believe they are appropriate to have on campus, though I recognize that other restaurant chains are likely equally evil. Is a local place (Chachos?) a possibility to come to campus?

The more restaurants that come to campus the better campus will be.

Bring Raising Canes and it will out perform all food service.

I would like a Panera on campus.

Please bring the Chick-Fil-A to campus. You will get SO much business.

PASSED: 15-0-6

Q26

chick fil a would be the best thing to add to campus , i feel everyone would love it and you would have to worry abt no one going to eat there

no

Chick-Fil-A is very anti lgbtq and anti anyone non religious so I don't support the buisness

Do it

bring in a lot of profit for the university

Bring Chipotle to campus too

Chick-Fil-A has good food but I do not support such a religious organization and their very right wing stance.

We need a chicken place, all we have are sandwich shops

State agencies should not discriminate against companies based on political positions.

I think we should get a smoothie shop like Smoothie King.

Chick-Fil-A should be a stand alone restaurant that would be accessible to the whole community throughout the day, not just during the lunch hours.

PLEASE CAN WE CONSIDER A DAMN CHIPOTLE!

I do not support organizations who promote hate-motivated.

Chick-fil-A and McDonald's

Would recommend Costa Vida or Cafe Rio!

I think that it would be a very popular choice.

Bringing a Chick-Fil-A to campus would send the message to students like me that we aren't welcome here. The money students spend there on our campus would go back to CFA, who can and will give that money to homophobic efforts, including conversion therapy. It is a terrible idea.

Would like more food options!

can we get something that isn't homophobic pls

Please

Chick-fil-A's continued anti-LGBTQ+ corporate stance and donations to hate groups and conversion camps should be disqualifying for being added to campus. No fried chicken is worth having a permanent symbol of LGBTQ+ hate on the campus that is infamous for Matthew Shepard.

Keeping prices affordable for students.

Q26

Not sure that bringing Chick-Fil-A to campus sends the best message to our LGBTQ+ community about supporting them and their rights, since chick-fil-a owners have made some anti LGBTQ+ statements and donations to anti LGBTQ+ organizations. Culvers has a similar range and quality of food choices, and has good values, so I would recommend looking into bringing in a Culver's or other restaurant that does not have these uninclusive implications

Chick-Fil-A would be a great addition to the campus! I would be much more inclined to stay throughout the whole day if Chick-Fil-A were a dining option.

I don't really care about it at all, but I hear other students would like it.

WE NEED A CHICK FIL A

Culver's

Don't get an organization that actively harms to LGBTQIA+ community and say y'all care about the LGBTQIA+ community. Get a Cane's or something better

All I can say is yes please.

More food options for students is always a good thing.

They're fucking homophobic assholes

I feel strongly that having a chick fil a would be good

We need Chick-Fil-A on campus!

Chick-fil-a is actively very homophobic and considering you were just asking how i as a queer student felt supported on campus this would make me feel even less supported

I've not understood for a long time why we don't have a Chick-Fil-A. I would absolutely support them and know our UW campus would too.

TCBY

make it available to students using meal swipes from washakie

If this is about lgbt people being against Chick-Fil-A coming to campus and they effectively keep the restaurant off campus you are spineless. Do not allow UW to be ruled by a minority.

Anything that will give back to the campus community and provide affordable food options is great.

I can understand if people don't support the company and don't want it on campus. We have survived without chicken sandwiches, we can keep doing that, but it would be a nice addition personally.

Please push hard to do this!

Please bring Chick-fil-A, I go to Cheyenne so often only for Chick-fil-A

This would be amazing.

Q26

Food is good

I am not sure I know much about restaurants in US but there should more diverse (continental) eating areas around on campus.

yes please now

Yes pls

PLEASE BRING CHICK-FIL-A TO CAMPUS!!!

We should not support a company who is so strongly against the queer community. It would be bad for the people of that community and a bad look for the university

Chick-fil-A gives funds to homophobic agencies.

free is good

PLEASE

canes would also be a very good option

Given Chick-Fil-A's stance on LGBTQ+ issues, I'm not sure if they are the best restaurant to bring to campus.

Make sure it is open past 2 pm. It's college, our schedule doesn't work like normal so we need to have more food options for longer hours

I love Chick-Fil-A!!

Dear God make sure they're staffed well. And have the ability to handle long lines and demanding orders/customers.

lesssgooooo chick-fil-a

More dining options would be great for students and the community

Please come to campus!!!!

Support local businesses, dangit! Let some local people open restaurants on campus, not some crap corporation with chicken I could make better myself!

There is a lack of dining options in the union. This is my first semester at the university (grad student) and I was surprised at the lack of options given UW is a DI school.

This would be awesome

The campus restaurants should be open longer than 2 pm.

Adding one would make eating at the union actually worth it, and make me personally appreciate the university and what it offers significantly more.

I love the idea of more restaurants, but I do not love the morals of Chick Fil A.

Q26

I think having a Chick-Fil-A on campus would send a wrong message to LGBTQ+ students that the university "cares" about LGBT people but doesn't care enough to have a known business that actively donates to anti-LGBT organizations and politicians.

Please get a chick fil a

Nope
