The 106<sup>th</sup> Administration  
Associated Students of the  
University of Wyoming

Senators,

Pursuant to ASUW By-Laws Article 1, Section 1, Subsection E, Clause b, this shall serve as you official notice of veto of Senate Bill #2648: ASUW Budget for Fiscal Year 2020.

The veto of this legislation is not driven by dissatisfaction with the budget (as found in Addendum A) itself. However, the body of the bill includes language that is inconsistent with Addendum A, and other language that may cause confusion when acting to allocate the Fiscal Year 2020 budget.

First, in line 27 of the legislation, \$500.00 is allocated from the ASUW Discretionary Fund. This amount is inconsistent with the attached budget, as the budget outlines \$2,000.00 be allocated. This can be found in the budget summary on the first page of Addendum A in the Executive Branch account under Endowments. This money is to be allocated toward stipends for the ASUW First Year Senate Student Advisor and the Elections Commissioner. This amount has been \$2,000.00 in recent years, and I support the amount remaining the same as it is currently outlined in the budget. However, I think it is important that the body of the legislation reflect the same numerical amounts as the budget.

Second, in line 27 where the \$500.00 is to be allocated from the ASUW Discretionary Fund, the title "ASUW Discretionary Fund" causes some confusion as there is no actual fund with this name. I fear that the future administration could endure confusion about allocating these funds under this designated name. Instead, this amount should be allocated from the "ASUW Endowment Fund" which is the name of an existing fund.

These are the two justifications for my decision to veto. I believe it is particularly important to be consistent and clear in this legislation, as it is a direct reflection of our utilization of student fees and confusion could hinder the future administration's ability to correctly understand the FY2020 budget.

However, as the budget is vital to our organization and is a time sensitive item, there will be a new version of the budget legislation up for first reading this coming Tuesday. Due to the technical nature of these fixes, I think it would be appropriate to take the legislation through Committee of the Whole in order to produce the budget on time. Again, I am fully supportive of the budget as passed in Addendum A and simply wish to pass legislation that is consistent with Addendum A and clear about where funds are being allocated from.

I thank those who put in great effort to make this budget a reality, and hope ASUW can pass a bill that properly reflects the work that was put in.

Respectfully,

60401	Staff Salaries Expense-PT	\$11,520.00	
	Description of Expense/Event Title	Amount	Notes
	Part-time law student intern	\$11,520.00	I am requesting an increase from last year. I am asking for an increase because I talked with the law school career services center about rates for paid internships. The law school career services office said paid internships usually pay \$20-\$25/hr. The old rate for this position was \$15/hr. An increase to \$18/hr. (the low end for paid legal internships) will make this internship more competitive which will benefit students.

	Catering for SLS events	\$600.00	This is an increase because hosting events with food is really expensive. The food for the voting rights event cost \$352 (boxed lunches for 30 people). If we continue to do large events, this will cover 2-3 depending on number of people who attend.
