The 105th Administration
Associated Students of the
University of Wyoming

To: ASUW Senators
From: Benjamin D. Wetzel, President
Date: March 5th, 2018
Subject: Veto of Senate Bill #2614

Honorable Senators,

Pursuant to the ASUW By-Laws Article I, Section 1, Subsection E, Clause ii, this shall serve as your official notice of veto of Senate Bill #2614 (SB2614).

I did not veto the majority of SB2614 based off of the content of the legislation, nor the general intent. However, in the amendments made to the legislation on the floor, and recommended in the original bill, there were changes to which I did not feel comfortable signing into effect.

There was one section of this legislation that was amended that I did not agree with the language which was added.

Under Article II, Section 5, Subsection K, the language was added that “Senators shall pay the ASUW Student Fee and must maintain full-time student enrollment at the University of Wyoming for the duration of their service.” I do not think it is appropriate at all for the ASUW Student Government to demand that our leaders maintain full-time status for the duration of their service. It was stated in debate that this language is included in the elections code that you must be a full-time student. After my research, it is not stated anywhere in the ASUW Constitution, By-Laws, Rules and Procedures, Elections Code, or Elections Policy that you must maintain full-time status. In my opinion, we represent any and all students who pay the fee. It is irresponsible on our parts to discern that you are unfit to serve in the office of Senator because you encountered a difficult course and made the decision to withdraw for the protection of your academic integrity. The requirement of being an ASUW Fee Paying student ensures the student is full-time at the Add/Drop day, but past that, a Senator should always maintain the right to make the best decision for their academic future without fear of losing their right to serve their fellow students.

From there forward, there were inconsistencies in language that led me to the decision to veto SB2614.

In the legislation, the first therefore clause, the binding clause of the bill states that, “the ASUW By-Laws be amended to reflect the changes in Addendum A.” My issue with this is that there are areas of vague wording leading to contradiction, as well as other areas that were mistakenly stricken from the language in Addendum A.

Under Article II, Section 5, Subsections H and I, the language reflects that a senator must maintain a 2.0 cumulative GPA, while also maintaining “status in the College or School to which they were elected to represent.” This language could lead to many questions such as should a

student maintain *full-time* status, *good academic* status, or even simply their status as their specific major rather than their College or School of study. This could be contradictory as a student could be above a 2.0 cumulative GPA, but not be in good academic status in their respective College or School.

Under Article II, Section 6, Subsection R, the phrasing of “attend one (1) public meeting of any ASUW Program, Service, and Strategic Partner meetings per semester” does not meet the standard necessary for the language of ASUW working documents as it is incorrect simply in the grammatical requirements of a sentence.

Per the official meeting recording, a motion was made to “strike the entire section after section 7.” Although I understand the intent was to remove it from the addendum because it was non-consequential to the legislation, the motion would in fact remove in its entirety Article IV, Sections 1 and 2 from the ASUW By-Laws, a misstep of wording, but nonetheless I do not see it appropriate to sign into law a legislative action which would remove an entire article of our By-Laws.

As stated above, I do not contend the general intent of SB2614 and would welcome a reformatted version of the legislation that could be a step in the right direction towards curbing the issues of retention which the 105th Administration, like so many before have faced.

Respectfully,
