COLA Heffley: Hello! Two things: FYS Advisor Mackenzie circulated a form in the teams chat to get feedback on interest in the FYS Mentorship program! Please fill out that form by the end of this week so that he can get Senators and FYSers paired up and set up for success. Second thing: I mentioned this in ASC earlier today, but I'm going to start hosting project open houses every couple weeks as a venue for Senators to work together on projects and get to hear what's going on around the office. I'll host the first one this coming Monday November 9 from 11-1, I'll try to get pizza and snacks and make it a good collaborative time. If that time doesn't work for some folks, I'll host another one in another few weeks on a Tuesday/Thursday to mix it up.

After processing, the meeting adjourned at 8:07 pm. The next regular meeting of the Senate will be on November 10, 2026, at 7:00p.m. in the Senate Chambers.
