2. Committee reports
 - Graduate- Sarah
 - Will upload the Snowball documents to box.com and inform the council as to their location
 - Activities- Clinton
 - Jeff is getting Clinton up to speed on activities for the spring. Stan, of WHO, is requesting funding from multiple sources including departments in the University. Jeff has received permission from Kristy Isaak to pursue funding from First Interstate Bank. Jeff will bring Clinton with him to the First Interstate Bank. There is remaining funding (\$1250) with which to have a spring social event. **We should all be thinking of potential activity ideas.** Some ideas are as follows:
 - Asking the country swing club to teach a dance lesson at an NTSC social event.
 - Elections
 - We discussed asking Bryce, ASUW elections commissioner to come speak with us so we can plan NTCS elections. We would like to get an elections officer before we ask Bryce to come speak with us. Tony, a friend of Joe, was present at the meeting and showed interest in becoming involved as an office. We floated the idea of his taking over this position but would like both the council and Tony to consider for at least another week before voting.
 - The idea of advertising during the Easter Egg event was floated as well. We all think this is a great time in which to get the word out!
3. Old Business
 - For the good of the council
 - “She Served” event being hosted by the veterans center. Jeff is creating a collegiate link event for them so we can sponsor a poster run for them.
4. New Business
 - Childcare committee
 - See Housing and Childcare report above
 - For the good of the council
 - Jeff and Pam have a meeting with Kristy Isaak 2/18 at 1 PM in her office to go over the NTSC email being the account through which we set up events using collegiate link.

Macki may be able to join.

Story time & Gym time organizers have asked to host Pistol Pete for cowboy day at Story time & Gym time. **We voted and approved funding for Pistol Pete to come to Story time.**
