PresVP 2021 Results Results

This page shows final results for this election. You can also recount the ballots for free using all of the counting methods supported by OpaVote or download the ballots to recount them on your own.

These results will be available until 23 Jun 2021 at 19:53 EDT.

Counting ballots using Instant Runoff Voting. There are 22 candidates competing for 1 seat. The number of ballots is 736 and there were 736 valid ballots and 0 empty ballots.

Method Options:

- Candidate Elimination – Zero
- Weak Tie Breaking – Random

The bar charts below show the vote counts for each candidate in each round. Place the mouse over a bar to see the number of votes.

- Yellow — Votes carried over from the previous round.
- Green — Votes received in this round.
- Red — Votes transferred away in this round.

A candidate's votes in a round is the sum of the yellow and green bars. Since the green and red bars represent votes being transferred, the sum of the green and red bars is the same.

The exhausted bar represents votes where the voter did not indicate a next preference and thus there were no candidates to transfer the vote to.
