

You Are Invited!

What: “All About Trees” Workshop

When: February 26, 2009 6 p.m.

Where: Converse County Extension
133 W. Center Street, Douglas

Topics Include: Windbreak and Living Snow Fence Design, Tree Biology, Creating An Inviting Habitat for Wildlife

This workshop will be helpful to anyone that is interested in planting trees. Learn the keys to successful windbreak planting including site selection, species selection for our area, planting and maintaining!

RSVP to 358-3050 Ext. 4 by February 20!

Tree Order Forms will be available at the workshop.

Speakers: Tim Schroeder, NRCS

Travis Griffin, Assistant District Forester

Brian Jensen, WGF Habitat Ext. Biologist

Sponsored By: Converse County Conservation District, Barnyards and Backyards and University Extension Services
