

Crook County Wildfire Workshops

ATTENTION RESIDENTS

Crook County Fire & Emergency Management with UW Extension are leading workshops for residents on Wildfire Preparation and Recovery.

Topics will include:

- ◆ **Preparing** your home and property for a wildfire
- ◆ What to do **during** a wildfire event near your home
- ◆ What to do **after** the wildfire.

Specific information will cover proper removal of fuels; where to go; and, what to do if caught in a fire.

CROOK COUNTY ALL HAZARD

UW Extension will share weed, soil, and reseedling strategies following a wildfire.
