

Last year's success has prompted us to host another Gardening & Backyard Living Expo. This year PACD and Fremont County Extension are joining forces with Central Wyoming College and Fremont Local Foods.

The Expo combines vendor booths and educational workshops. If you want tips on how to be more self sustaining and enjoy your backyard or garden, the Expo is something you won't want to miss.

- This is a family friendly event with a dedicated “Kids Corner” where participants can have fun with some hands-on activities.
- A “Food Court” will feature local growers and producers.
- Vendor booths will display the latest and greatest offerings of information, products, and services that will help folks enhance their gardens and backyards.
- Barnyard & Backyard workshops will begin at 10:00 am and continue throughout the event. The breakouts will begin each hour and run for 45 minutes.

April 6, 2013
9:00 am to 3:00 pm
Lander Valley High
School
(350 Baldwin Creek
Road)
