WYOMING WEED PUZZLE

Test your knowledge of a few of Wyoming's noxious weeds!

- a) Leafy spurge
- b) Field bindweed
- c) Dyer's woad
- d) Salt cedar (tamarix)
- e) Spotted knapweed
- f) Scotch thistle

If you correctly identified six out of six, you are an all-star weed spotter! Give yourself a hand, and keep up the good work.

If you correctly identified four or five out of six, you are on the right track. Keep your eyes open, and keep reading *Barnyards&Backyards* magazine for more "Wicked Weeds of the West."

If you correctly identified two or three out of six, check out a few of our resources at www.barnyardstobackyards.com for more information on Wyoming's noxious weeds.

If you identified none or one out of six, visit your local weed and pest control district office as soon as possible for more information about noxious weeds that

are prominent in your area and throughout Wyoming.

If you see any of these weeds on your property, contact your local weed and pest control district for information on control and management options. A list of districts can be found at http://www.wyo-weed.org/wp_dist.html.
