I. THE BOARD OF TRUSTEES POLICY

The policies outlined in this document apply to the 2007-2008 fiscal year. All prior approvals of fees, charges, and deposits are repealed effective July 1, 2007 except as to rights or obligations previously acquired or incurred there under.

The fees, charges, fines, penalties, refunds, and deposits are subject to change without notice.

Publication of fees, charges, refunds, and deposits in the University of Wyoming Fee Book is required prior to charging fees. Exceptions may be granted by the Vice President for Administration.

Authority

The Trustees of the University of Wyoming, a constitutional body, are responsible for the "management of the university" (Wyoming Constitution, Article 7, 17). The Trustees "possess all the powers necessary or convenient to accomplish the objects and perform the duties prescribed by law and shall have custody of the books, records, buildings and all other property of the university" (W.S. 21-17-203). The Trustees may "(e)xpend the income placed under their control from whatever source derived, and exercise all other functions properly belonging to such a board and necessary to the prosperity of the university and all its departments" (W.S. 21-17-204).

Section 2 of Chapter VIII (STUDENTS) of the Regulations of the Trustees stipulates that "All student fees, charges, refunds, and deposits shall be fixed by resolution of the Trustees and shall be published in the appropriate university publications."

Therefore, pursuant to constitutional and statutory provisions, the Trustees are responsible for the establishment of all fees, charges, and deposits assessed, and refunds afforded to individuals applying for admission to the university, enrolled students, university employees, and the general public. Such fees shall be reasonable and prudent for the adequate protection and control of university funds, equipment, facilities services and materials.

Financial Assistance

Financial assistance received by students through the Office of Student Financial Aid will be applied to assessed tuition and mandatory fees then to other university assessed fees and charges, prior to distribution to the student. If the student receives federal financial aid they may (in writing) limit the use of financial aid to only tuition payments, mandatory fees and university housing charges.

Failure to Pay Fees, Charges, Fines, Penalties

A student failing to pay fees, charges, fines, penalties, or deposits as prescribed by the Trustees of the University of Wyoming shall be denied registration at the university or copies of transcripts until such fees, charges, fines, penalties, or deposits are paid in full. A non-student failing to pay fees, charges, fines, penalties, or deposits as prescribed by the Trustees of the University of Wyoming shall be denied use of University facilities and services until such fees, charges, fines, penalties, or deposits are paid in full. Procedures for adjudication of disputes over payment of fees, charges, fines, penalties, or deposits shall be prescribed by the Vice President for Administration.

Student Loans and Scholarships

Interest rates for 1) loan funds established by the University of Wyoming; 2) loan funds established by trust agreement, will, or similar instrument with no stipulated interest rate; and 3) loan funds established by the State of Wyoming without statutory interest rates shall be established at six percent (6%) annual percentage rate with a two percent (2%) annual percentage rate penalty for loan default.

Interest shall be established at prescribed rates for 1) loan funds established by trust agreement, will or similar instrument with interest rate provisions; and 2) loan funds established by the State of Wyoming with statutory interest rates.

Interest rates for the Medical School Student Loan Program and Family Practice Residency Loan Program shall be consistent with Trustee actions on student loan interest rates prescribed by the Trustees on July 9, 1985 and November 9, 1985.

The interest rate for the Medical Student Contract Support Program shall be consistent with the actions of the 1993 (52nd) General Session of the State of Wyoming Legislature (Wyoming Statute, Chapter 203).

The interest rate for the Superior Student in Education Loan Program shall be consistent with Trustee action on student loan interest rates (April 11, 1985) and established at six percent (6%) annual percentage rate with a two percent (2%) annual percentage rate penalty for loan default.

Fees, Charges, and Deposits, Student Publications

The Trustees delegate the authority for the establishment of advertising, subscription and related rates or charges for student publications, including the Branding Iron, Frontiers Magazine, and Owen Wister Review, to the Student Publications Board. Rates or charges established by the Student Publications Board shall be filed annually with the Office of the Vice President for Administration and published in the Fee Book.

Internal Fees, Charges, and Deposits

The Vice President for Administration, with approval by the Trustees, is authorized to establish fees, charges, or deposits for interdepartmental purposes. In no case shall the assessment of such fee, charge, or deposit exceed the direct cost plus reasonable administrative overhead.

Facility Rental Fees

Non-university users of campus facilities will be assessed a 10 percent surcharge on rental fees. Any surcharge will be deposited into a separate account earmarked for maintenance, and under the control of the Director of Physical Plant. For self-sustaining facilities rented to external users, surcharges will be deposited to an account similarly designated.

The following rental fee structure will be used:

- Classification I Qualifying groups and activities include UW recognized student clubs and
 organizations, faculty or staff work-related meetings, or fund-raising activities or other activities not
 involving commercial entities. Non-profit organizations and Wyoming state agencies sponsored by a
 recognized student organization or UW department, with participants who are primarily students,
 faculty and staff qualify under this category.
- Classification II Qualifying groups and activities include University departments, recognized student clubs and organizations co-sponsoring events with commercial entities or events where admission is charged. Non-profit organizations and Wyoming state agencies, not primarily involving students, faculty and staff and regional or national student or department educational conferences qualify under this category.
- Classification III Commercial off-campus groups.

Other Provisions

The purpose of this policy is to allow University departments to recover direct costs, and reasonable indirect costs, for use of University facilities, equipment, services or materials as set forth in the following paragraph.

The Trustees' authority to establish fees is delegated to the Vice President for Administration to set casual food service rates in the University food service operations, resale of items in the University Bookstore, various telecommunication rates, and other resale activities. Fees will not be authorized for items nor shall this provision be construed, in any way, to avoid the Trustees' authority to establish fees.

Employee Tuition and Fee Waiver

A full-time employee appointed on a continuing or temporary basis may enroll for up to three (3) semester hours of instruction in University credit courses (including correspondence study courses) during each regular semester and summer session with no cost for tuition and mandatory fees to the employee.

A staff employee appointed on a continuing or temporary basis working less than forty (40) hours per week will be assessed tuition and mandatory fees at one-half the hourly rate for up to three (3) semester hours of instruction in University credit courses (including correspondence study courses) during each regular semester and summer session. Employee fee waivers are non-refundable.

Consult the current Administrative Manual, Benefits section, under Study Privileges, for additional information.

Federal Return of Funds Policy

A student who receives federal financial aid (other than Federal Work Study pay checks) and chooses to complete less than 60% of an academic term is considered not to have earned all the federal aid s/he has been awarded.

- If aid already disbursed is equal to earned aid, no further action is required.
- If aid already disbursed is less than earned aid, additional aid may be offered to the student after s/he withdraws.
- If aid already disbursed is greater than earned aid, UW and/or the student must return some federal funds.

To determine whether federal funds have been earned or must be returned, UW will follow this procedure:

Step 1: **Determine the percentage of the term the student completed.** This is calculated by dividing the number of calendar days (including weekends) in a term into the number of calendar days that the student was in attendance for that term.

Step 2: Apply the percentage of time attended to the total amount of federal aid the student was eligible to receive for the term. This is the student's "earned aid."

Step 3: Subtract the amount of earned aid from the amount of aid actually disbursed to the student. A positive remainder is the student's "unearned aid." A negative remainder is the student's "earned aid" that may still be offered to the student.

Step 4: **Determine the amount of unearned aid that must be repaid by UW**. Multiply the institutional charges by the percentage of unearned aid, and compare this figure to the total unearned aid. UW will repay the lesser amount.

Step 5: **Determine the amount of unearned aid remaining that must be repaid by the student.** Subtract the amount of unearned aid repaid by the institution from the total amount of unearned aid.

All unearned aid will be returned to the federal student loan lender or federal aid accounts in the following order:

Unsubsidized Stafford Loan Subsidized Stafford Loan Federal Perkins Loan Federal PLUS (Parent) Loan Federal Pell Grant Federal SEOG Grant LEAP Grant Any amount owed by the student on a grant will be reduced by 50%.

The date of a student's withdrawal from UW will be the date of the student's notification to the **Dean of Students** of intent to withdraw. When a student fails to officially withdraw from UW, we will assume the withdrawal date to be the midpoint of the semester or the last date of documented academic activity.

UW will repay the lesser of (1) the total amount of unearned aid, or (2) an amount equal to the student's institutional charges multiplied by the percentage of unearned aid. "Institutional charges" is defined as charges for tuition and fees, plus room and board charges for students living in UW residence halls and apartments. It does not include such charges as bookstore charges, student health insurance premiums, parking citations, or library fines.

The amount of unearned aid owed by the student on a loan may be repaid under the normal repayment terms of the loan. The amount of unearned aid owed by the student on a grant must be repaid immediately.

Any amount of earned aid not yet disbursed to the student will be offered to the student. Such offers will cover any undisbursed grants first, followed by undisbursed loans.

Examples of how we calculate the amount of unearned federal aid a student must return are available from a professional adviser in the **Office of Student Financial Aid**. A chart detailing the percentage of earned and unearned aid, by calendar day of the semester, is published in the *Class Schedule* for each semester. In brief, to determine the percentage of earned federal aid, the calculation will use the total number of calendar days in the term divided by the total number of calendar days the student attended.

Interaction of Federal Return of Funds Policy and Institutional Refund Policy

When a student who receives federal financial aid withdraws from the university, s/he may owe a repayment of federal funds and/or be due a refund from UW or owe an additional amount to UW.

The Federal Return of Funds policy will be applied before any refund due under the UW policy is disbursed. For details on the application of these policies to a specific situation, please consult with the Accounts Receivable Office, 250 Knight Hall, phone (307) 766-6232.

Mandatory campus fees are not assessed to students enrolled solely in correspondence study courses. Textbook rental charges for students using textbooks from the Correspondence Study Library, and reasonable refundable deposits on audio and visual tapes, and kits are not included in tuition. A nominal charge is assessed for transferring registration from one course to another, or for extending the normal completion date of a course. Tuition is payable in advance, except upon specific authorization of the Associate Vice President for Academic Affairs and the Dean of the Outreach School.

Outside Agency Sponsored Course Registration Fee

Courses offered for University credit but for which the University incurs no instructional or delivery costs will be assessed a registration fee to cover administrative costs. These courses include:

- Courses offered for professional development and taught by non-UW employees, in which the content and instructors have received approval by appropriate University departments.
- Continuous Registration courses required of graduate students for the sole purpose of maintaining their degree candidacy when they are taking no other credits.

Not included are courses (other than Continuous Registration) in which the instructors are UW employees, regardless of the sources of remuneration for the instruction. Exceptions are possible only in cases where there is a compelling rationale, such as external funding that (a) is sufficient to cover the instructors' salary and benefits and (b) explicitly requires the delivery of credit-bearing curriculum for an administrative fee. Authorization for such exceptions is not automatic, and it requires written approval by the Vice President for Academic Affairs.

Residence Halls

Financial Policies: Each student applying to live in the University residence halls during the academic year must comply with the following financial policies. Refer to the Residence Life & Dining Services Contract for specific procedures.

Deposit: A \$100 deposit must be submitted with the signed Residence Life & Dining Services Contract in order to be considered for residency in the University of Wyoming Residence Halls.

- a. **Deposit and Deposit Refund Policy**: If written cancellation of the contract is received before July 1, 2007, then 75% of the deposit will be refunded. If written cancellation of the contract is received on or after July 1, 2007, the entire deposit is forfeited. If the contract is received by the Contract Office between July 1, 2007 and August 23, 2007, you may cancel your contract within 30 days of the contract being received by the Contract Office or August 23, 2007, whichever comes first, to receive a 75% refund of the deposit.
- b. For spring semester only contracts, the contract must be cancelled prior to January 2, 2008, to be refunded 75% of the deposit. If cancellation is received on or after January 2, 2008, the entire deposit is forfeited.
- c. Any exceptions to this policy must be approved by the Executive, Director of Residence Life & Dining Services & Wyoming Union or his/her designated administrator. The entire deposit is forfeited in the event you are evicted for disciplinary or financial reasons from the residence halls or dining services.

Payment Plans: Students entering into a contract with the Department of Residence Life and Dining Services will make payments defined by UW's Institutional payment plan. If there are any questions regarding this plan please contact UW's Accounts Receivable Office.

The room charge includes a social fee, local telephone service, water, electricity, basic cable television service, computer lab access and hardwiring to the student rooms, which enables the student to connect to the university's computer network.

Semester Break Housing: The Residence Life & Dining Services Contract does not include housing between semesters. This lodging is charged on a per-night basis.

Continuing Student Rate: Members of the University community may choose to continue to live in the residence halls during the summer months. To be eligible for the continuing student rate, the individual must have lived the residence halls during the preceding spring semester and be enrolled for fall. The per night rate will be charged for the entire period that the student occupies the room.

Contract Termination: In the event that a student is not officially released from his/her contract, the student may be held responsible for up to 50% of the room and meal plan charges for the contract period remaining after the student moves from the premises. The entire deposit is forfeited in the event the student terminates the contract.

Lost or Damaged Property: Lost or damaged University property may be billed to the resident at the current cost of replacement or repair. This includes unauthorized moving of University property.

Lost or Damaged Keys/Combination changes: Students may be charged for loss of or damage to University keys or room/apartment door-access card issued to the student, and for lock combination changes.

Responsibilities and Rights Violations: Residents found in violation of the "Responsibilities and Rights for Residence Halls & Dining Services" may be assessed a penalty of up to \$100 for each violation, plus any actual damage or replacement costs. These violations include the unauthorized moving and/or modification of University property, violation of the pet policy, and violation of the fire safety policy. In lieu of, or in addition to, any penalty fee, the resident may be required to perform community service hours as a condition of the sanction.

Abandoned Property: If the resident vacates or abandons a residence hall room and leaves personal property in the hall or about the premises, the property shall be deemed abandoned and left to the disposal of the University. Personal property remaining on or around the premises may be packaged and removed by the University. Packing, moving and storage fees may be assessed to the resident. The resident may be charged a minimum packing fee of \$25 per hour, and any fees incurred, per the terms of the Residence Life & Dining Services contract.

Cleaning Charges: In the event the University provides custodial services, the resident may be assessed at a rate of \$25 per hour, per custodian.

Conferences/Guests

Conference/Guest Rate: Individuals not eligible for the Continuing Student rate may be charged the Conference/Guest rate. Conference/Guest rates apply to all individuals or groups who are not contracted to live in the residence halls, unless eligibility for the Continuing Student rate is demonstrated. The Conference/Guest rate is calculated based on the size of the group and the length of the time lodged.

Check-In/Check-Out: Proper checkout is required to terminate charges. Payment in full is due at check-in.

Apartments

Financial Policies: Each person applying to live in the University Apartments must comply with the following financial policies. Refer to the University Apartments Handbook and agreement for specific procedures.

Application Deposit: The application deposit secures a space for the type of apartment requested, but does not guarantee an apartment assignment. The Application Deposit will be refunded 100% if the apartment request is canceled prior to an offer being made on an available apartment. If an apartment offer is rejected twice, then 50% of the application deposit will be returned and the applicant will be removed from consideration.

Damage Deposit: The damage deposit secures the resident's obligations under the rental agreement. This is an additional deposit added to the application deposit. It is refunded when the agreement is terminated, per the terms of the University Apartments agreement. Cases of eviction resulting from failure to abide by the terms and conditions in the University Apartments agreement will result in forfeiture of both the damage deposit and the application deposit.

Rent: The rent payment includes a social fee, local telephone service (excluding the Lewis Street rentals), water, trash disposal, appliances, electricity, gas, basic cable television service, and in River Village, hardwiring in the apartment for the University computer network access. Apartment rental is based on a 30-day minimum. After the 30-day minimum has been met, rent will be computed on a daily basis. Residents

vacating before the end of a month for which rent has been paid in advance shall receive a refund for the remaining nights in the month.

Switching Apartments: Residents who want to change apartments may request to do so at the University Apartments Office. A switch fee of \$100 is due at the time application is made to change apartments.

Disciplinary Eviction: If a resident is evicted from the University Apartments for disciplinary reasons, the resident may be responsible for paying all outstanding rent and other charges. Eviction may take place immediately upon notice. In the event of a disciplinary eviction, the entire deposit is forfeited.

Abandoned property: If the resident vacates or abandons an apartment and leaves personal property in the apartment or about the premises, the property shall be deemed abandoned and left to the disposal of the University. Personal property remaining on or around the premises may be packaged and removed by the University. Packing, moving and storage fees may be assessed to the resident. The resident may be charged a minimum packing fee of \$25 per hour, and any fees incurred - per the terms of the Apartments agreement.

UW Apartments Responsibilities and Rights Violations: Residents found in violation of the Responsibilities and Rights may be assessed a penalty of up to \$100 for each violation, plus any actual damage or replacement costs. These violations include violation of the pet policy, and violation of safety/endangerment expectations. In lieu of, or in addition to, any penalty fee, the resident may be required to perform community service hours as a condition of the sanction.

Cleaning charges: In the event the university provides custodial services, the resident may be assessed at a rate of \$25 per hour, per custodian.

Mailbox Lock Change: In the event a resident loses a mailbox key, the mailbox lock is changed and the resident is assessed a fee for the actual cost of replacing the lock (\$45.00-55.00)

Wyoming Union Outside Catering - FY2008

| Attendance-per person | Catering Access – per space, per day | Staging space – per day | Equip. & Kitchen Use, per day |
|-----------------------|--------------------------------------|-------------------------|----------------------------------|
| 0-25 | \$25 | \$10 | \$10 |

| 51-100 | \$75 | \$35 | \$35 |
| 101+ | \$100 | \$50 | \$50 |

The above table was created to more accurately reflect the services requested by off-campus caterers utilizing the Wyoming Union kitchen, kitchen equipment and/or surrounding staging spaces. Charges will be

based upon the level of preparation space or equipment needed to cater an event (drop-off food service, versus multi-course meal preparation ad service of food) and the number of people to whom service is provided.

Attendance: Price breaks occur naturally at the 25, 50, and 100 person mark, based upon existing reservable space and its relative room capacities within the Wyoming Union.

Catering Access: Catering access is the allowance of an approved caterer to provide food services for an event hosted within the Wyoming Union. Catering access fees will be applied on a per space, per day basis.

Staging Space: Staging space is a cleared area required to prepare foods for a catered event, i.e., tables in place for plating food, "back of the house" access, buffet tables set up in a conference room, etc. Staging space fees will be applied on a per day basis.

Equipment and Kitchen Use: Equipment and kitchen use fees will be applied if the off-campus caterer uses any Union kitchen equipment – dishwasher, food warmers, ovens, walk-in cooler and freezer, counter space, cleaning equipment etc.

Fees, Charges, and Deposits (methodology)

The Family Practice Centers maintain a formal fee schedule for physician services based on a resource-based relative value scale. A relative value guide correlates the difficulty of performing a certain procedure and the time required and assigns a unit value to the procedure. There are over 7,000 procedures listed in the RBRVS (resource-based relative value scale) and each procedure has a unique code associated with it as well as a unit value. The fee charged for the procedure is obtained by multiplying the unit value by a conversion factor. Conversion factors used at the Family Practice Centers are updated periodically by reviewing the reimbursement received from major insurance companies and are reviewed annually by the Dean of the College of Health Sciences. Conversion factors currently in use are on file at each program and in the Office of the Dean.

The University of Wyoming Family Practice Residency Programs accept new patients regardless of their ability to pay for services. Our policy is to bill all patients for services provided and to request payment at the time of service. All medical laboratory charges are billed by Cheyenne Regional Medical Center. Charges for these services are not eligible for discounts offered by our facility.

<u>Financial Discounts</u> apply to patients with special financial needs. Occasionally, patients have legitimate financial problems. Patients expressing hardship must be referred to the Business Office for each program where financial arrangements or discounts can be determined. There are two discount options:

<u>Hardship Discount</u> applies to patients with serious illnesses who are unable to work and have no other sources of income and patients who are now deceased and their accounts are uncollectible. If, after insurance payment, there is an outstanding balance, the Medical Director may elect to write off the remaining balance.

Sliding Fee Scale Discount applies to families that are "total family private pay" which may qualify them for a sliding fee scale or a co-pay. Special exceptions to the total family private pay rule will be considered for families with insured children on a case-by-case basis by the program director or designee. The per visit co-pay will apply to those who do not meet 100% of the Federal Poverty level standard. The co-pay for procedures and OB visits for those below 100% of the FPL will be addressed on a case-by-case basis. The sliding fee percentages are based on annual gross family income and size. Payments are expected every thirty (30) days. Guidelines are outlined below.

| Size of | Below FPL | FPL 125% | FPL 135% | FPL 150% | FPL 200% |

Wyoming State Veterinary Laboratory

Wyoming State Veterinary Laboratory fee policy is as follows:

- The person requesting services will be the person billed and will receive all reports (NO EXCEPTIONS).
- 2. Fees for diagnostic tests performed for non-farm industry (e.g. pharmaceutical companies) and research grants will be assessed an additional 20%. This added fee does not apply to other, cooperating agencies and diagnostic laboratories where mutually beneficial collaborations have been arranged. The additional fee also does not apply to the Cervid hybrid testing program.
- 3. Maximum fee applies only for clinical, diagnostic cases from veterinarians and producers. Maximum fee will include necropsy and appropriate laboratory tests (with the exception of toxicology tests, spinal cord removal, and referred tests) of one animal. Simultaneous submission of animals from within a single livestock litter (e.g., pigs, multiple lambs, etc.) or up to 6 avians of similar breed, age, and clinical complaint are included in the maximum fee. Additional animals related to the same submission may be accepted for an additional \$30 each at the discretion of the WSVL.
- 4. Professional services rendered for forensic, insurance, and other legal claims will be charged at the rate of \$150 per hour in addition to other laboratory charges. These services include consultation, telephone calls, site visits, document preparation, and legal testimony.
- 5. Services will not be offered to clients with accounts that are greater than 90 days past due.
- 6. Income from fees supports almost 40% of this laboratory's budget and helps to cover case reporting, telephone charges, and return shipping of packaging material in addition to the service provided.
- 7. Tissues for histopathology must be fixed to reduce autolysis.
- 8. Fees may change in the interim as a result of drastic changes in prices for reagents and/or diagnostic kits.
- Accessions submitted to the WSVL, including carcasses, tissues and agents isolated from samples, become the property of the WSVL unless other arrangements are made in writing at the time of submission, or a memorandum of understanding exists between the Laboratory and the State or other entity.
- 10. Custom test development is available; please call for details.
- 11. Laboratory results are joint property of the WSVL and the person (or institution) that paid for the test(s). They will not be shared with third parties except in the following circumstances:
 - There is a legal requirement to do so.
 - Laboratory testing results in a reportable disease
 - It is in the interests of animal or human health to do so. This will be decided on a case-bycase basis by the laboratory director or, in her/his absence, by the acting director or by the faculty member in whose section that test was run.

The laboratory will periodically release summary data of disease patterns, and share them with the Wyoming Livestock Board, Wyoming Department of health, and clients through newsletters, press releases and annual reports.
