VWR, Part of Avantor, Supplier in Procurement Catalogs

The University of Wyoming has partnered with VWR, part of Avantor, to bring thousands of items with competitive pricing, essential supplies, and support from a dedicated team of Experts to make sure you're ready for everything the academic year brings.

To access the negotiated pricing, employees can purchase items through the Procurement Catalog section within Purchase Requisitions. Upon accessing the Procurement Catalogs, VWR, part of Avantor, will be displayed under the Scientific category as a separate icon. Simply click on the icon to navigate to the supplier's website, search for items and checkout.

Follow the similar steps outlined in the [Create Procurement Catalog Requisition](#) quick reference guide (QRG) to complete the checkout and purchase requisition.
