NEW STUDENT “TO DO” CHECKLIST

- Read the Student Handbook.
- Comply with the MMR immunization requirement by providing documentation to [Student Health](#).
- Decide on medical insurance coverage through [Risk Management](#).
You must select “yes” or “no” to this question before you can register for courses.
- Verify/update your Addresses and Phone numbers.
- Read/complete Student Financial Responsibility Agreement.
- Request official transcripts from all previous institutions if you have completed college-level course work elsewhere. Transcripts must be sent **directly** to [UW Admissions Office](#).
- Get your student ID ([WyoOne](#)), Information Technology (IT) Building, Room 167 (first floor just east of the open computer lab).
- Check your uwyo.edu email account (e.g., UWusername@uwyo.edu). If we need to contact you, we will **only** use your uwyo.edu email address, mailing address and phone number which you have listed in your WyoRecords student account via [WyoWeb](#) portal. Students are expected to check their University of Wyoming (UW) email on a frequent and consistent basis in order to stay current with University related communications.
- Be aware of when tuition and fees are due. Check the [Calendar/Deadlines](#) each semester. Be sure to pay on time; otherwise, you will be administratively dropped from your courses. If you are unsure of a deadline or a procedure, contact the [Office of the Registrar](#) (Knight Hall, Room 167W, 766-5272) or Academic Advising (Business Building, Room 60W, 766-2063).
- Memorize your “W” number. This is your student identification number. Anytime your records are accessed by UW personnel you must provide your “W” number.
- Become familiar with the [University Catalog](#). Know your responsibilities.
- Learn how to access your WyoRecords student account via the [WyoWeb](#) portal to do the following:
 - Register for courses.
 - Update local, permanent addresses and phone numbers.
 - Check your financial aid status.
 - Check your Degree Evaluation. If there is a problem, bring it to the attention of an advisor.
 - Check your mid-term and final grades.
 - Access to online student forms and petitions including FAFSA.
 - Look at the next semester’s course schedule and create a plan using the Plan Ahead feature.

ADVISING

When to see the academic advisors in the Peter M. & Paula Green Johnson Student Success Center:

- Planning next semester's schedule and to obtain a PERC number during assigned times.
- Help with understanding your degree requirements and degree evaluation to develop an academic plan.
- Declare or change your major. Apply for a minor.
- Get advisor's signature on forms and petitions.
- Assistance with resources on campus.
- Assistance understanding UW and COB grade point averages (GPA) requirements.
- Assistance with study abroad.
- Apply for graduation.

When to see the career advisors in the Peter M. & Paula Green Johnson Student Success Center:

- Discuss internship possibilities.
- Discuss career management and self-marketing skills.
- Build your résumé.

When to see your assigned **Career Mentor**:

- Discuss course choices for a specific focus within your major.
- Discuss career considerations.
- Discuss the current job market in your field and region.
- Discuss graduate school possibilities.

Your responsibilities as a College of Business student:

- Review the Student Handbook.
- Maintain both UW institution and College of Business 2.50 GPA's. ECON and CBEC students must also maintain a 2.50 in Economics courses.
- Keep your address and phone number updated in your WyoRecords student account.
- Check UW email account on a frequent basis.
- Keep current on academic policies, procedures, and requirements.
- Become familiar with the information in the [University Catalog](#) and semester schedules.
- Know the graduation requirements of your chosen major and/or minor. Curriculum sheets for college majors are available in the Academic Advising Office.
- Be sure academic records from other universities are transferred and received by the Admissions Office.
- Prepare a list of questions or concerns before each meeting with your advisor.
- Know the academic [Calendar/Deadlines](#) for advising dates, registration, drop/add, or withdraw dates.
- Have a planned schedule prepared for your advising day.
- Communicate with advisors regarding available resources, class scheduling, class withdrawals and degree changes.
- Keep appointments or call if it is necessary to change or cancel an appointment.
- Know how to access your degree evaluation and Plan Ahead feature in WyoRecords.
- Take responsibility for making decisions about educational plans and life goals.

UNIVERSITY STUDIES PROGRAM (USP)

The [University Studies Program](#) provides a common experience for all undergraduate students. Through the pursuit of a baccalaureate degree, UW students will: develop knowledge of human culture, the physical and natural world, and the U.S. and Wyoming constitutions; acquire a core set of intellectual and practical skills; and develop personal and social responsibility. UW aspires for its graduates to become life-long learners, ethical leaders, and contributing members to society. Students who enter UW or a Wyoming community college beginning in fall 2015 will be required to meet the USP 2015 requirements for graduation. Requirements of the USP are divided into categories based on the student learning outcomes. All courses are mutually exclusive of each other; no single course may count in more than one category. USP designated courses are open to all UW students (with a few exceptions for the Bridge and Honors College).

STUDENT LEARNING OUTCOME CATEGORY CREDITS

Knowledge of Human Culture, the Physical and Natural World, and the U.S. and Wyoming Constitutions

Students will develop knowledge of human culture, the physical and natural world, and the U.S. and Wyoming Constitutions through study in the arts, humanities, histories, languages, mathematics, sciences, and social sciences.

Human Culture (H) 6

Students will understand human behaviors, activities, ideas, and values in different situations and contexts. Two courses required. **Fulfilled by ECON 1010 and ECON 1020 for ACCT, FIN, MGT or MKT majors. CBEC or ECON majors will need two non-Economics courses (6 credit hours).**

Physical and Natural World (PN) 6

Students will understand the fundamental concepts of scientific and quantitative inquiry and develop the ability to understand the relevance of scientific, technological, and quantitative skills to contemporary society. Two non-business courses required.

U.S. & Wyoming Constitutions (V) 3

Students will demonstrate an understanding of the U.S. and Wyoming constitutions in order to develop the combination of knowledge, skills, values, and motivation to participate in and improve the life of our local and global communities.

Intellectual and Practical Skills

Students will develop foundational intellectual and practical skills essential to live and work in a rapidly changing world and to be part of an informed citizenry. These skills include communications skills, critical and creative thinking, and quantitative reasoning.

Critical and Creative Thinking (FY) 3

First-Year Seminar provides the skills and philosophy necessary for success as a student and life-long learner. Students will critically examine and evaluate evidence, claims, beliefs, or points of view about meaningful, relevant issues. Students will be introduced to active learning, ethical reasoning, and individual and collaborative processing of ideas. FY must be completed with a C or better.

Communication Skills (C1, C2, & C3) 9

Students will develop skills in written, oral, and digital communication as appropriate to specific disciplines and courses at the introductory, intermediate, and advanced level. Through repeated instruction, practice, and feedback, the communication sequence will emphasize and progressively develop transferrable skills. The introductory course (C1) will emphasize foundational skills for academic writing. C1 must be completed with a C or better. Intermediate courses (C2) will emphasize foundation oral and digital communication skills and continue to build on writing skills. Successful completion of C1 is required prior to enrolling in a C2 course. C2 must be completed with a C or better. Advanced courses (C3) will emphasize using the discourse of a discipline or interdisciplinary field to communicate to academic or professional audiences through written, oral, and digital communication. Successful completion of C2 is required prior to enrolling in a C3 course.

Quantitative Reasoning (Q) 3

Students will reason and solve quantitative problems from a wide array of authentic contexts and everyday life situations. All students must fulfill the Q requirement, either by placing out of the course or through successfully completing the Q course.

Personal & Social Responsibility

No mandatory USP courses. Students will have varied experiences depending on coursework and co-curricular activities.

ADVANCED BUSINESS STANDING (ABS)

The three components of Advanced Business Standing are:

1. Completion of ten prerequisite core courses or their equivalents with a grade of “C” or better in each.
2. 2.50 cumulative UW institution grade point average (GPA) or a 2.50 transfer GPA.¹
3. 60 earned hours or junior class standing.

The ten courses are:

Communication 1 (C1)	See list of approved courses
Communication 2 (C2)	See list of approved courses
MATH 2350 <u>or</u> MATH 2200	Business Calculus <u>or</u> Calculus I
MATH 2355 <u>or</u> MATH 2205	Mathematical Applications for Business <u>or</u> Calculus II
If you are an ECON, CBEC or FIN major, you are <u>encouraged</u> to complete MATH 2200 and MATH 2205	
STAT 2010, 2050 or 2070	Principles of Statistics
ACCT 2010 (1010)	Principles of Accounting I
ACCT 2020 (1020)	Principles of Accounting II
ECON 1010	Principles of Macroeconomics
ECON 1020	Principles of Microeconomics
IMGT 1400 (2400)	Introduction to Information Management

NOTE: Undergraduate students with majors in the Departments of Accounting, Management & Marketing, and Economics & Finance must meet the ABS prerequisite as indicated on the course listings in the University of Wyoming (UW) Catalog. Undergraduate students enrolled in upper-division (3000/4000-level) business courses without ABS or other prerequisites are identified and administratively dropped at the beginning of each semester. Transfer and re-enrolling students must satisfy the same requirements as continuously enrolled students. Once you have been dropped from a course, verification of prerequisites does not guarantee re-enrollment if the class is full.

¹Transfer grades are not counted in the UW GPA (see UW Catalog http://www.uwyo.edu/registrar/university_catalog/grade.html for additional information). Transfer students who have not attended the University of Wyoming, and therefore do not have an established UW institution cumulative GPA, and who have completed the required ten (10) courses with a C or better, have 60 earned credit hours, and have a 2.50 cumulative TRANSFER GPA will be awarded ABS.

MATH COURSE ELIGIBILITY INFORMATION

Prerequisite and MPE Cut Score reference chart:

Course Number	Course Title	MPE Cut Score	MPE Level	ACT	SAT
*900	Pre-Algebra	0-15	0	<21	≥ 500
*921	Algebra 1 (PREQ Math 0900)	16-29	1	21	≥ 500

***These courses do not count toward full time enrollment for purposes of maintaining a Hathaway Scholarship.**

You have the option of taking the Math Placement Exam (MPE) in an attempt to test out of the math review courses up through Math 1400, 1405, or 1450.

- Prerequisites are based on ACT, SAT, or MPE test scores.
- Cannot receive credit in both MATH 1400 and 1450 or MATH 1405 and 1450.
- You must earn a C (not C-) or better to advance to the next MATH course.

The appropriate course sequence depends on your major.

If your major is ACCT, BSAD, MGT, or MKT (with appropriate prerequisites): MATH 1400, 2350 and 2355.

If your major is CBEC, ECON, or FIN (with appropriate prerequisites): MATH 1400 and 1405 or 1450, 2200 and 2205.

PLANNING TIPS AND HINTS

HOW TO BE A SUCCESSFUL STUDENT

- **Check your UW email account. Don't miss important mailings.**
- Attend class and take good notes. You are expected to attend class.
- Be prepared for class by completing all assignments on time.
- Use a day planner! This lets you be in control of your time.
- Don't expect faculty to accept late assignments.
- Don't expect faculty to accommodate your plans when it is test time.
- **Be aware of deadline dates. They are available in your WyoRecords student account via [WyoWeb](#) portal.**
- Be sure you have completed prerequisites before you register for courses. You are at risk of being dropped if you lack prerequisites.
- Save copies of your business course notes, grade reports, course request forms and syllabi.
- Update addresses and/or phone numbers in your WyoRecords student account.
- Plan ahead when needing a copy of your transcripts. You can request your official UW transcripts in your WyoRecords student account. You are the only person who can request a copy of your grades or transcripts.
- Request transfer transcripts from the institution from which you took the course to be sent to the UW Admissions Office.

REGISTRATION

- Next time you need to be advised, you'll go to the College of Business Academic Advising Office. Advising schedules are posted online in October for spring advising and March for fall advising. When planning your class schedule, always determine several alternative classes in case some of your preferred classes are closed. This is particularly important for sophomores.
- Watch your uwyo.edu email and posted signs in the Business Building for your advising day.
- Become familiar with your Degree Evaluation and the Plan Ahead feature.
- Summer advising is not mandatory and a PERC number is not needed. The Advising Office encourages you to check with us regarding your summer academic plans.
- Your PERC number, registration day and time will be released **after** your Course Request Form has been approved by an advisor.
- Answer the Medical Insurance Coverage question in your WyoRecords student account.
- Read Student Financial Responsibility Agreement.
- Always advise and register during your scheduled time. Even if you're not certain you are returning the following semester. It's easier to register and drop classes than to wait and realize you're limited in your class selection because of closed classes.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT - FERPA

Information regarding the [Family Educational Rights and Privacy Act \(FERPA\)](#) is contained in the class schedule each semester. This Federal law indicates that you have a right to request that your “directory information” not be made public. “Directory Information” includes:

- your name
- your local address and phone number
- your permanent address and phone number
- your college, department, major
- affirmation of current enrollment
- dates of enrollment
- degrees received
- honors received
- email address
- participation in officially recognized activities and sports
- weight and height of members of athletic teams

The University of Wyoming has the responsibility for effectively supervising any access to and/or release of official data/information about our students. However, because Wyoming is a Public Records state, the above information may be released to any outside entity that requests it unless a student has requested that a Privacy Flag be placed on his or her records.

If you do not want any of the above information to be released to anyone outside the university, you need to complete a [Request for Privacy](#) (scroll down to P-R and click on link) Flag form and submit it to the Office of the Registrar. This form must be received no later than seven working days from the first day of classes for the fall semester in order for your information not to be included in the Campus Directory. A Privacy Flag means that your name and address will not appear in the Campus Directory, that your name will not be included in any news releases (including honor rolls or graduation). Information will not be released to prospective employers, insurance companies, credit agencies, etc. If anyone requests information in person, by fax, mail or telephone, UW will respond to the requestor with the following statement: “We do not have any information available on that individual.” The request will remain in effect until the student instructs the Office of the Registrar in writing to have the request removed.

DEGREE EVALUATION TUTORIAL

The College of Business Academic Advising Office created a [Degree Evaluation tutorial](#) (scroll down to Degree Evaluation) which you may find useful. The Degree Evaluation is a web-based planning tool to help students and advisors monitor student progress toward degree completion. It also allows for advising notes and provides a place to create semester plans. The Degree Evaluation provides a more accessible, convenient, and organized way for students to track their academic progress and to assist with planning their college career. The Degree Evaluation is not a substitute for consultation with an academic advisor. Students are still required to visit with their academic advisor in order to receive access to register for classes.

ACCESSING YOUR DEGREE EVALUATION

*How to access your **DEGREE EVALUATION** through your WyoRecords student account within the WyoWeb Portal:*

1. Click on **Students** under **WyoRecords** area.
2. Click on **Student Records** button.
3. Click on **Degree Evaluation** button.
4. You may get a popup blocker warning; if so, allow the popup.
5. Please wait while your request is processed . . .
6. If you wish to save the Degree Evaluation, select the “**Save as PDF**” button which will save your degree evaluation as a PDF.

ACCESSING YOUR PLAN AHEAD

*How to access your **PLAN AHEAD** through your WyoRecords student account within the WyoWeb Portal:*

1. Click on **Students** under **WyoRecords** area.
2. Click on **Registration** button
3. Click on **Plan Ahead** link
4. Select a Term
5. Click on **Create a New Plan**
6. Click on **View Sections**
7. Click on **Add** button
8. Click on **Save Plan** button
9. Name Your Plan
10. Continue to find classes to add to your schedule
