

# Entrepreneurship (ENT) Minor (non-COB majors only)

## PROGRAM SHEET

Minor Description: The entrepreneurship minor exposes non-business majors to entrepreneurship through experiential learning and focuses on the creation of an entrepreneurial mindset. By pursuing an entrepreneurship minor, students learn tools for success in starting a business or bringing innovation and creativity to an existing business. A primary focus of the minor is allowing the student to tailor the program to their individual program of study.

*15 credit hours (9 credits required courses, 6 credits elective courses)*
