\$2,500 Investment Package
Founding Member

Engagement Opportunities

Present a Yearly Case Analysis or Sponsor a Mini Case Competition

Showcase real-world challenges and solutions by presenting a case analysis project to a supply chain course or sponsoring a student mini case competition.

Participate in "Supply Chain Day" Events

Be a key sponsor for our annual "Supply Chain Day," a dedicated event designed to promote the industry and connect students with career opportunities. Sponsors receive special recognition, including digital signage in the College of Business.

Host Mock Interviews and Resume Workshops

Share your expertise by hosting virtual or in-person mock interviews and resume workshops to prepare students for career success.

Access to Supply Chain Club Activities

Engage directly with students by participating in Supply Chain Club activities and events, fostering meaningful connections with future professionals.

Recognition and Visibility

Spotlight as a Sponsor

Receive special promotion as a Supply Chain sponsor, including acknowledgment on digital signage within the College of Business and features across our SCM social media platforms.

Discounted Career Fair Registrations

Enjoy a 50% discount on registrations for College of Business career fair activities.

Collaborative Partnership

Industry-Informed Curriculum Advising

Provide valuable insights to help shape curriculum and programming, ensuring alignment with industry trends and workforce needs.
