

**Vacutech LLC**, the largest private employer in Sheridan, Wyoming, is seeking an architectural designer drafter to join their expanding team. Vacutech LLC is the leader in designing and building central carwash vacuum systems, janitorial and house cleaning systems and vacuum for industrial and commercial applications. They are seeking a candidate with an architectural related background who is self-motivated, creative, works well with a team and has strong attention to detail. Candidates must have experience and ability to work in a fast-paced environment with a strong working knowledge of Revit, or other architectural design software. This position requires working closely with their sales team to produce professional drawing packets for use with bids and proposals and our engineering team to produce submittal packets for certifications and permitting.

Essential Duties and Responsibilities include the following. Other duties may be assigned. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- Use Revit software to develop designs for use by Vacutech customers, certification agencies, local jurisdictions and internal operations departments.
- Work from technical specifications, customer and internal drawings, hand sketches, scanned images, Google Earth, government drawings and or general specifications.
- Utilizes knowledge of various machines, engineering practices, mathematics, building materials and other physical sciences to complete drawings.
- Self-check and ensure work for completeness, accuracy, compliance to standards and manufacturability.

Go to their website at <http://www.vacutechllc.com/apply-now/> and select the Architectural Designer/Drafter position for the full job description and link to the company's application. Apply as soon as possible as they are seeking candidates now, for the selection process.

Must be able to pass a pre-employment drug screen. The completed application and a resume can be mailed to Vacutech at PO Box 3048, Sheriday, WY 82801, or taken to the Vacutech office if currently in the Sheridan area.
