

WYOMING NASA SPACE GRANT FELLOWSHIP, INTERNSHIP, AND FACULTY GRANT OPPORTUNITIES FOR 2018

2018 WY NASA Space Grant Undergraduate Research Fellowships:

Undergraduate Research Fellowships provide up to \$5,000 for the summer and/or academic year to conduct research in any science, math, engineering, or technology field with an advising faculty member. **Applications DUE: FEBRUARY 16, 2018**

2018 WY NASA Space Grant Graduate Research Fellowships:

Graduate Research Fellowships for the 2018-2019 academic year include stipends of \$15,000 for MS students and \$20,000 for PhD students, which includes one month of summer salary in conjunction with full tuition waiver and health insurance. This opportunity is open to graduate students at UW who are conducting MS or PhD research in the areas of science, math, engineering, or technology with relevance to NASA's goals and objectives. **Applications DUE: FEBRUARY 16, 2018**

2018 WY NASA Space Grant Faculty Research Initiation Grants:

Faculty Research Initiation Grants provide funding of up to \$20,000 for research in the areas of science, math, engineering, or technology with relevance to NASA's goals and objectives. Funding can be used for summer salary, student and post-doc salary, supplies, and domestic travel. All faculty from the University of Wyoming or Wyoming Community Colleges are eligible to apply. **Applications DUE: FEBRUARY 16, 2018**

2018 WY NASA Space Grant Faculty Education Enhancement Grants:

Faculty Education Enhancement Grants provide funding of up to \$10,000 to assist faculty with the development of new college-level courses or curriculum or with the updating of currently existing courses/curriculum to reflect current research. Courses must have relevance to NASA's goals and objectives. Funding can be used for summer salary, student and post-doc salary, supplies, and domestic travel. All faculty from the University of Wyoming or Wyoming Community Colleges are eligible to apply. **Applications DUE: MARCH 23, 2018**

2018 NASA Summer Internship Opportunities:

The Wyoming NASA Space Grant Consortium provides funding for internships at NASA Centers. Summer internships at NASA Centers are 10-week, paid internships that take place at a NASA Center (\$6,000 for salary plus \$500 for travel for undergraduates and \$8,500 for graduate students). NASA internships are open to undergraduate and graduate students in all science, math, engineering, and technology fields. Please visit the NASA internship website to apply: <https://intern.nasa.gov/>.

Application Deadline for NASA Center Internships is: MARCH 1, 2018

For more information, please visit our website at: <http://wyomingspacegrant.org/>.

*Anyone receiving salary using NASA Space Grant funding must be a US Citizen.

Thank you and please let us know if you have any questions!
