Dear Scholarship Applicant,

Congratulations on applying for the 2018-19 Rocky Mountain ASHRAE Scholarships! We appreciate you taking the time to complete the application process. This year’s deadline for all applications is:

**Monday, January 28th, 2019**

Applications received after this date will not be considered for the 2018-19 scholarships so make sure to get your application in early. A few important items to note:

1) The application is due Monday, January 28th, 2019! Applications may be mailed to the address on the application or emailed to me (email is preferred to save paper!). If you email the application, be sure you get a response from me acknowledging the receipt of your application. If you do not get a response, please contact me directly.

2) Scholarships will be awarded at the 2019 Rocky Mountain ASHRAE Student Night meeting on February 6th, 2019. All applicants are encouraged to attend to be recognized by the chapter. Each school will also be acknowledged.

3) Please fill out all parts of the application. Any incomplete applications will not be reviewed.

4) Scholarships will be awarded to full or part time students who plan to attend the spring semester. Selection will be based on interest, goals, need, and academic achievement. Please note that ASHRAE membership is strongly encouraged, and that participation in the applicant’s student chapter is favored, if applicable.

5) Applications may be handwritten, typed, or filled out electronically.

6) Interested students must submit the following:

   a. Application General Information with signature (Attached to this letter)
   b. A cover letter (two-page maximum) describing interests, professional goals, internship experience, and financial need.
