Fall only or spring only course

**Total Program Credits: 120**

Students must have a minimum cumulative GPA of 2.0 to graduate

Students must complete 42 hours of upper division coursework, 30 of which must be from the University of Wyoming.

No more than 60 hours in the major subject may be used toward the 120 credits required (128 for professional programs).

All hours in the major subject must be completed with a grade of C or better. Courses must be taken for a letter grade unless offered S/U only.

H and PN courses must be taken outside the major subject, but can be cross-listed with the major.

Students with specific additional interests (pre-med or pre-professional) may wish to move V/H/C2 courses to take necessary courses
