

# WYOMING STATE MATHCOUNTS COMPETITION

The MATHCOUNTS Competition Series is a great opportunity for students in grades 6-8 to build confidence, find relevance in math and improve problem solving skills. There are four levels of competition - school, chapter, state and national.

- 2024 school competition will be available November 2023.
- In person chapter competition locations and date TBD.
- State Competition will be held at the University of Wyoming.
- All-expenses paid trip to the 2024 MATHCOUNTS National Competition for top state qualifiers.
