

Advice on How to Search Campus for a Graduate Assistantship:

Please refer to this link: <https://www.uwyo.edu/clad/about/funding.html>

Funding support in the School of Counseling, Leadership, Advocacy, & Design (CLAD) comes in form of College-level graduate assistantships (GA ships) and College-level scholarships. Students are encouraged to submit a **Graduate Assistant Interest Form** ASAP (to the department of interest) upon their admittance to increase chances of securing funding support.

Please email Tiffany J. Le GAL, (Office Associate, Senior) at tlegal@uwyo.edu with questions regarding funding opportunities in the School of Counseling, Leadership, Advocacy, & Design (CLAD).

If you are seeking information regarding funding opportunities through the [School of Teacher Education \(STE\)](#) or the [College of Education Dean's Office](#), please do reach out directly to them via edquest@uwyo.edu.

Please note, only full-time students are eligible for GA ships!

Be sure to update your resume, so that whenever you hear or see a GA Job Opening, you may quickly send an email and a copy of the Interest Form to them to let them know you are interested. You may also write up a cover letter if you so choose (and just have it ready to go). Please pay attention to the details and requirements to apply to each job.

These Graduate Assistant jobs are **not** guaranteed, and only so many positions are available to the College of Education every year.

Please **DO** plan for other economic resources (including governmental aid) to assist you in pursuing your graduate degree.

Whenever we hear of a GA ship job, we will email the new incoming students, first.

At this time, UW does not have a list serve or job posting page for GA Jobs, but we hope to in the future. In order to locate a GA ship on the UW campus, you will need to put in some leg work! ☐

I would suggest calling and/or emailing specific departments or places on campus that interest you, and inquiring with them if they have a GA jobs available. Please note, the department may not have the funding secured until right before the semester begins.

Go to the UW A-Z Index here: <https://www.uwyo.edu/uw/webdirectory/>

Look through these pages, to locate possible places to inquire about a GA ship.
You may look up the official names of the acronyms listed below.

Please note that GA Jobs are only offered when a department or office has allocated GA funding, and an opening is available. Students, in recent years, have secured GA ships in a variety of different places such as these, (but not limited to):

The WellSprings Clinic,
The Women's Center,
The Counseling Center,
Nontraditional Student Office,
The Writing Center,
SLCE,
AWARE,
WIND,
TPAO,
ACES,
WYCOA,
University Testing Center,

Residential Dining Services,
DSS,
SJRC,
ECEC,
Campus Recreation,
Cowboy Joe Club,
TEI,
Diversity Office,
Football program,
Fraternity Life,
Gear Up

Please do check in with your adviser to see if they are aware of any GA openings.
