

Continuous Registration

PRST 5940 *Continuous Registrations* is a course intended to retain your enrollment in the program in the event you do not take courses for two or more consecutive semesters (Fall/Spring).

Students failing to maintain enrollment, either by taking courses or registering for PRST 5940, will be dropped from the program. Students in this position will be required to reapply *and* be readmitted into the program before they may resume coursework.

Students who need to take a semester off due to personal, family, work, health, covid, and/or other obligations, and may opt to enroll in PRST 5940 Continuous Registration to maintain their active status.

This is not a class, per se, but just a “placeholder” to keep you active in the program.

The cost of the course is \$120 per the [Student Financial Services Tuition and Fees](#) website.

Please do discuss this option with your adviser.

If you need help registering for this, please do reach out to the School of CLAD Office Associate Tiffany J. Le GAL at tlegal@uwyo.edu to request help.

PRST 5940 is not a required course.

If you find your degree evaluation includes PRST 5920 or 5940 as a required course to complete your program, please reach out to your advisor, who will support you in correcting this issue.

Also see directions below on [How to Remove PRST 5920/40](#) from your transcript.

Thank you!
