

**EDUCATIONAL LEADERSHIP
SUPERINTENDENT CERTIFICATE PROGRAM
CURRICULUM REQUIREMENTS**

The school district superintendent certificate program is designed for students who seek district superintendent endorsement in the State of Wyoming. Students must complete the courses as listed in the Requirements section below in addition to a certification exam. Successful completion of these courses and the exam meets the NELP standards for superintendents. Wyoming's Professional Teaching Standards Board (PTSB) has approved these courses for district superintendent endorsement. In addition to the endorsement, students are awarded a University of Wyoming certificate.
