

Lambda Pi Eta Omicron Pi Chapter

Communication and Journalism Honor Society University of Wyoming

Lambda Pi Eta, Omicron Pi Chapter, is the National Communication Association graduate and undergraduate honor society for University of Wyoming Communication and Journalism majors. Currently, we are searching for exceptional students who are interested in becoming members of the chapter. Not only is this an excellent opportunity to network with others in your field, but also it is an outstanding addition to any job or graduate school application.

Eligible candidates must meet the following requirements:

- ❖ Student has declared a COJO major (Agriculture Communication is accepted).
- ❖ Student currently is enrolled as a student in good standing, as determined by University of Wyoming policies.
- ❖ Student has a cumulative GPA of 3.0.
- ❖ Student has a COJO GPA of 3.25.
- ❖ Student ranks within the highest thirty-five percent of his or her class in general scholarship.
- ❖ Student has completed 60 semester credit-hours.
- ❖ Student has completed 12 semester credit-hours in COJO.
- ❖ Student exhibits high standards of personal and professional character and shall support the purposes of the honor society.

The goals of Lambda Pi Eta are:

- ❖ Recognize, foster, and reward outstanding scholastic achievement in communication studies.
- ❖ Stimulate interest in the field of communication.
- ❖ Promote and encourage professional development among communication majors.
- ❖ Provide an opportunity to discuss and exchange ideas in the field of communication.
- ❖ Establish and maintain closer relationships between faculty and students.
- ❖ Explore options for graduate education in communication studies.

The cost of membership is \$50.00, which includes your organizational dues, induction certificate, and LPH pin. The membership application is attached.

As a member of the Omicron Pi chapter you also will have the opportunity to help determine the future direction of our organization by becoming an officer. If you are interested in becoming a member, complete and submit the attached application. For more information, please contact the faculty advisors, visit the LPH website at

<http://www.natcom.org/Secondary.aspx?id=212>, or visit the UW chapter's Facebook page at <http://www.facebook.com/pages/Lambda-Pi-Eta-Omicron-Pi-Chapter-University-of-Wyoming/151114544920448>
