

Is your Registered Student Organization looking for a fundraiser? Do bake sales and car washes take the fun out of fundraising? Consider joining the concessions team at the University of Wyoming, and help us run a location in the War Memorial Stadium.

How much can you make?

Generally, our groups make from \$325 to \$650 per event. The amount is based on what size stand your group works and how many workers you can provide each game. Work 6 football games and your group can earn between \$1,950 and \$3,900!

How does it work?

Your group will need to commit to working all 6 home football games (possibly 7 if we host a championship game). All of the football games this year are on Saturdays. There is a mandatory training session before your group is eligible to work. The group will need to designate at least 1 stand supervisor for each game, that person will need to attend the orientation session. Stand supervisors can change each game, or it can be the same person for the entire season, but at least 2 persons from the organization must attend the orientation. Orientations are scheduled for the week before the first home football game (Tuesday August 31 and Wednesday September 1 at 7pm in the UniWyo sports complex). It is the same orientation both nights; you need attend only 1, whichever is most convenient. At the training sessions we will teach your stand supervisors how to operate the stand, and all relevant policies and procedures. The training will last 1-1/2 hours and end with you signing a contract to work the games.

How many people will my group need?

Total # workers	# Designated Supervisors	Payment per Game
4-6	1	\$325
5-7	1	\$390
8-10	2	\$650

What is the time commitment?

We require that Designated Supervisors show up 3-1/2 hours before the game with the rest of your volunteers arriving 3 hours before the game. Cleanup generally takes 1

hour after your stand closes. We begin closing stands down after halftime, with some closing at the end of the 3rd quarter, and finally a handful at the conclusion of the event.
