RSO Policies

University of Wyoming Disclaimers in Concern to Recognized Student Organizations
The University of Wyoming does not constitute any endorsement of an organization’s purpose or any assumption of responsibility, liability, or sponsorship for any student organization through official recognition.

Organizational homepages represent the views, interests, and activities of the organization; they do not represent official positions or policies of the University. The views expressed in them are those of the page authors, and comments on the contents of those pages should be directed to the authors.

Per UW Regulation 11-4, the student organization must be non-profit in nature. It may not use its position to solicit or advertise for commercial purposes. Any funds generated by the RSO must be put towards the operations of the organization and may not go to individual members. This excludes philanthropic endeavors.

Relevant UW Policies for RSOs
The following University of Wyoming Regulations are utilized to determine the policies outlined in the RSO Handbook. If you have questions or concerns regarding a UW policy, please see a staff member in the Campus Activities Center.

Presidential Directive 2-1988-1: Hazing

Presidential Directive 2-1992-1: Use of Buildings, Grounds, & Services by Student Organizations, Political Activities by RSOs, and Information Circulars

Student Code of Conduct: The Student Code of Conduct outlines rights and responsibilities of students and recognized student organizations at the University of Wyoming or any of its sponsored programs

UW Regulation 4-3: Title IX and Sexual Misconduct

UW Regulation 4-4: Violence in the Workplace*

UW Regulation 1-5: Civil Rights Discrimination

UW Regulation 6-4: Use of University Buildings, Grounds Policy, Catering, & Services

UW Regulation 11-4: Recognition Process, Privileges, Rights, & Responsibilities of Recognition, Activity Registration, Use of Facilities, and Off-Campus Activities

Sexual Misconduct Policy and Procedures*

*The University of Wyoming does not discriminate on the basis of sex in its education programs and activities, consistent with Title IX that requires it not to discriminate in such a manner. Inquiries concerning Title IX may be referred as applicable to the Diversity and Employment Practices, Title IX Coordinator, Bureau of Mines, 307-766-3459, or to the Dean of Students, Knight Hall, 307-766-3296. Additional information may be found at http://www.uwyo.edu/diversity/fairness/

Anti-Hazing Policy
Hazing is an abuse of power and relationships, and its purpose is to demean others. Hazing is defined as any action taken or situation created intentionally, whether on or off UW property, by either fraternity and sorority organizations, student clubs and organizations, athletic teams, individual students, or student groups, to produce mental or physical discomfort, endangerment of life, embarrassment, harassment, intimidation, or ridicule. Willingness to engage in any
hazing activity does not render the Anti-Hazing Policy unenforceable. Please see PD 2-1988-1 for UW's full statement regarding hazing.

**Travel**

Members of your organization are not traveling as an entity of the University, but as individuals. Your RSO agrees to release and forever discharge the University and its employees, agents, officers, trustees, and representatives (in their official and individual capacities) from any and all liability whatsoever for any and all damages, losses or injuries (including death) you sustain to your person and/or property, including but not limited to any claims, demands, actions, causes of action, judgments, damages, expenses and costs, including attorneys’ fees, which arise out of, result from, occur during or are connected in any manner with your participation in the program and/or any related or independent travel, any activities or field trips (e.g., club activities or sports) irrespective of whether they are sponsored, supervised, or controlled by the University in any manner.

If members of your organization are travelling outside of the state of Wyoming, each member travelling needs to fill out a travel form through the University and notify your advisor and the Campus Activities Center. If you have questions about travelling, contact the Risk Management office.

**Car Rentals**

The University of Wyoming does not rent out Fleet Vehicles to RSOs. If RSOs are affiliated with specific departments and the department wants to take the payment responsibility of renting a fleet vehicle, then it is the responsibility of the department to determine. Any UW employee or student must pass a Motor Vehicle Record (MVR) check. More information can be found on Fleet Services site.

**Affiliation with Political Campaigns**

These guidelines apply in the cases where an individual has filed, publicly announced their intentions, and/or expressed their intentions to run for a public office.

1. UW students, faculty, staff, and RSOs are considered external users of facilities when acting in a manner unrelated to university purposes, such as campaigning for a candidate or hosting an event for one
2. University facilities may be reserved by individuals and their supporters for the purpose of campaigning, but only with the expressed authorization of the UW president or president’s designee
3. External users may use designated bulletin boards to advertise their events, and they may be assessed fees, charges, and deposits for use of university facilities
4. The president has granted permission to candidates, campaigns, and their supporters to reserve breezeway tables in the Union, but they are subject to the rules, registrations, and standard charges established for external users
5. If your group wishes to bring a candidate for office to UW, please contact the Campus Activities Center prior to beginning the process

**Fronting**

Fronting is permitting a non-University individual, organization, or University entity to use University property and/or services under the guise that the activity is a RSO or University Sponsored or Co-Sponsored Event in order to avoid fees or take advantage of benefits specific to RSOs and is prohibited. RSOs should ensure compliance with PD 2-1992 for use of facilities when collaborating with a commercial entity. RSOs found to be fronting for an individual or organization shall have all RSO privileges revoked for a period up to one year at the time of the infraction.

**RSO Status Definitions**

**Good Standing**

In order for an RSO to obtain and remain in good standing, it must meet all requirements set forth in this manual, the Student Code of Conduct, and UW Regulation 11-4.
Loss of Good Standing
RSOs may fall out of good standing for a number of reasons, including but not limited to:
1. Failing to renew the RSO’s registration
2. Violation of any University regulation, policy or procedure

RSOs that fall out of good standing may no longer have access to benefits available to RSOs. If an RSO has simply not completed the registration renewal requirements, the groups’ officers and advisors will still have access to their organization page in order to attempt renewal completion the following year, but the group will not be visible to other users. If the officers and advisors currently listed are no longer with the RSO, members who wish to take over the process must notify the CAC.

If an RSO falls out of good standing due to action taken by the Dean of Students, CAC, or other University representative, the group must complete the sanctions set by that University representative in order to regain good standing status.

Loss of Recognized Status
Per UW Regulation 11-4: Loss of recognition may occur by either the privilege being revoked or the RSO deciding to disband for the following reasons:

- To Disband:
  o Any RSO may withdraw its recognition at any time. Such withdrawal must be made by a written statement signed by both the officers and the advisor and submitted to the Campus Activities Center. The notification should indicate the disposition of the organization’s funds and certifies that there are no outstanding debts or official actions pending.

- Recognized status may be revoked:
  o If an organization has not renewed with the Campus Activities Center for a period of one year
  o If an organization’s purpose or activities are or become illegal, deviate significantly from its stated purpose, or violate University regulations, policies and/or procedures
  o If under existing circumstances a clear and present danger exists that such activities may disrupt the education process of the University, endanger or destroy property, or create a condition that is dangerous to the safety of individuals
  o When revocation is deemed by the President of the University to be in the best interest of the University
  o In cases that involve dismissal, the Dean of Students, or designee, shall assign a separate hearing officer. The hearing officer shall exercise control over the judicial hearing

Remaining Funds
Funds remaining in a defunct RSO’s account shall be utilized to cover any remaining debt incurred by the organization. Any additional funds that remain shall be dispersed according to the organization’s constitution. If the constitution language is ambiguous or lacks direction, the funds shall be turned over to ASUW.

Becoming a Recognized Student Organization

Process and Requirements
All groups seeking recognition for the first time, or after returning from an inactive status, must follow this process.
1. Determine name and purpose of your group
2. Submit an RSO formation request form
3. Attend new RSO orientation
4. Trial period begins
5. Create a constitution and submit a word document to the CAC for approval
   a. See our Guide and Sample for guidance
6. Recruit seven members, four of which will be officers, and full time UW faculty/staff advisor
7. Submit your RSO registration via UW Connect
The Campus Activities Center staff will review all recognition documents for compatibility of the group with the mission of the University of Wyoming, compliance with all UW Regulations, and evidence of future success as a Recognized Student Organization.

**Trial Period**

All groups that are in the process of forming a new RSO will automatically be on a trial period from the moment they complete their orientation session. The group will have one month to complete the requirements to become a RSO. Once the requirements have been completed, the group will be officially recognized and no longer on a trial period.

Groups on their trial period will have access to the following resources for the purpose of recruitment of members and completing the recognition process.
1. The ability to reserve meeting space and Union breezeway space
2. The ability to advertise their meetings via the Poster Run
3. A dedicated CAC staff member to assist them through the process

Groups on their trial period will not have access to the above resources for any purpose other than completing the recognition process. If the resources are used for anything other than the purpose of recognition, their registration will automatically be denied and they will be unable to resubmit for one full semester from the date of the infraction.

**Periods the Process is closed**

The period for becoming a new RSO starts the first week of the fall semester and runs until the last week in March. During the summer, the CAC revises the processes for becoming a new RSO to fit the guidelines of University policies.

**New Club Sport Formation**

If you are looking to create a new Club Sport, familiarize yourself with the [Club Sports Handbook](#) to ensure the group can consistently meet the standards set forth for groups classified as a Club Sport. If your group can meet the standards, the process for creating a Club Sport is the same as creating a new RSO. The CAC will consult with the Club Sports Coordinator to determine if the group could be a valid Club Sport.

The potential Club Sport group must maintain RSO status for a period of one academic year in order to illustrate to the Club Sports Program that there is a legitimate interest in the group to have access to Club Sports funding and services.

**RSO Recognition Status Renewal**

The purpose of recognizing student organizations at the University of Wyoming is to provide an opportunity for students to exercise their right to freely associate for a common purpose. Recognition is the process in which the student organizations become official in the eyes of the university. Recognition from the University allows RSOs access to certain privileges and services at the university.

**Goals of the Recognition Process**

1. Inform student leaders of expectations, policies, procedures, and responsibilities of being recognized
2. Establish a relationship between the CAC and the newly elected officers and current advisors
3. Get updated information on student organizations in order to have a centralized location where this information is current for students who are potentially looking to find a new involvement opportunity

**Status Renewal Recognition Process**

**Requirements to renew**

1. An officer must complete the renewal form through [UW Connect](#) by the specified deadline found on our website
2. Have your advisor(s) complete the Advisor Agreement Form found on through [UW Connect](#)
3. Complete the required trainings established by the CAC
4. Have an approved up-to-date constitution on file with the CAC office

Your student organization will remain unrecognized until all of the requirements are competed. Temporary recognition is granted for the first few weeks of school to participate in Involvement Fest, schedule regular standing meetings for the first month of the semester, and others. However, groups must be fully recognized in order to host events, get access to certain services, and request funding for ASUW for events and conference registration. Your RSO will not receive any RSO services until all of the renewal requirements have been completed. Groups that have scheduled meetings for an entire semester, but fail to complete renewal requirements, may see their reservations canceled as our event service providers have access to your status as an RSO at any given time during the year.

Requirements to Retain Recognition
- A minimum of seven student members are required to obtain and maintain recognition.
- All RSOs are required to have four officer positions: President, Vice President, Secretary, and Treasurer. Organizations may name the positions how they see fit and may have more than the required officer positions.
- All RSOs are required to have one full-time, UW faculty or staff person serving as the organization advisor. Every advisor will be required to fill out an advisor agreement through UW Connect outlining their responsibilities and expectations as an advisor.

General RSO Requirements
- Full membership is limited to full and part-time students. University faculty, staff, and community members can serve as associate members. The majority make-up of the RSO must be composed of full-time students. Full members are the only members who are allowed to vote, hold office, preside over meetings, and solicit funds.
- Membership is not denied to any student due to race, gender*, religion**, color, national origin, disability, age, protected veteran status, sexual orientation, gender identity, genetic information, creed, ancestry, political belief, or any other applicable protected category and affords each member all the rights, privileges, programs, and other activities generally accorded or made available to members of the organization.
  *Per UW Regulation 11-4, membership eligibility based on gender is valid only if gender is a bona fide membership qualification.  
  **Per UW Regulation 11-4, the only time “religion” may be excluded from this statement is when your organization’s aims are primarily sectarian
- RSOs must abide by the organization’s constitution and stated purpose.
- RSO must abide by University of Wyoming regulations, policies, local, state, and federal laws. 
- Notify the CAC when changes in leadership, advising, and important organization information occurs. 
- Register all events open to the University community or hosted in a University facility on UW Connect.

Club Sports
Club Sports that are recognized through Campus Recreation are required to renew their RSO status with the CAC as they are considered RSOs and have access to the same services as all other RSOs. To maintain recognition with the University, Club Sports have different requirements for recognition.
- Attend mandatory trainings as required by the Club Sports Program
- Register your group via UW Connect to update your roster and officer information
- Maintain a current constitution that meets University requirements with the CAC
- List the Club Sports Coordinator on your UW Connect page, as they are the advisor for all Club Sports

Fraternities & Sororities
Even though fraternities and sororities are supported by the Fraternity and Sorority Life office they are still considered RSOs. All fraternities and sororities must meet the same requirements set forth by the CAC to be recognized on an
annual basis. In some cases, fraternities or sororities will have extra steps to complete in their recognition and recruitment processes. Consult with the FSL office and inter-national organizations for requirements.

**RSO Operations and Management**

**RSO Constitution and Name Change Process**

**Inter-National vs. Chapter Constitutions**
The university requires all RSOs to have a constitution on file with the CAC in order to be recognized. Some RSOs have a national constitution that oversees all groups that exist across the nation. This is perfectly acceptable and can be a guiding document for your group. However, the University of Wyoming requires that certain statements, such as abiding by our policies and our non-discrimination clause, be incorporated into the local chapter’s constitution.

In order to be recognized by the University, your group either needs to create its own chapter constitution, or in cooperation with your national organization, edit the national document to suit the university’s needs and accommodate all policies set forth for the organization. Please check with your national organization first, and then proceed with assistance from your advisor or the CAC as necessary.

**Changing a RSO Constitution**
1. E-mail a Microsoft Word version of the proposed constitution to rsohelp@uwyo.edu from a valid RSO officer’s UW e-mail address and copy the RSO’s advisor on the e-mail
2. If changes need to be made to the proposed constitution, the CAC will track changes to make suggestions
3. Once the changes are approved, the CAC will notify the officer requesting the change and their advisor, send a PDF version of the constitution, and upload the updated constitution to UW Connect.

Please note that some statements are required to stay within an RSO’s constitution. Please see our constitution guidelines and sample constitution for guidance on these required sections.

**RSO Constitution Audits**
When appropriate, the Campus Activities Center will periodically audit RSO constitutions to make sure they meet all applicable policies and procedures. Proper notice will be provided prior to this process beginning and when it must be completed by. When requested by the Campus Activities Center, the RSO must amend the organization’s constitution to reflect current University regulations, as well as local, state, and federal laws.

**Changing an RSO’s Name**
The process to change an RSO’s name is the same as requesting a change to the RSO’s constitution. Please follow the procedures as outlined above, as your organization’s name is included in the constitution. Once approved, the CAC will upload the updated RSO constitution and change the name within UW Connect. For name change requests, we recommend waiting until after the renewal process has been completed. Please note a RSO may not use “University of Wyoming” at the beginning of its name. RSOs can however say “at the University of Wyoming.”

**UW Connect**
The CAC utilizes UW Connect, an online RSO management platform, for organization operations
- Creates a centralized online location for students to find clubs and organizations on campus
- Acts as an online management tool for groups to manage rosters, store documents, have elections, and more
- Allows for groups to complete their annual recognition process
- Allows groups to submit their events for approval and get on the RSO poster run
- Allows groups to request ASUW funding for RSO events

All RSO officers have access to their organization’s administrative features to manage the page, roster, and events.
Advisors

Recruiting an Advisor
All organizations must have one currently employed full-time, UW faculty or staff person to serve as the organization advisor. When approaching a potential advisor, make sure they are someone who will devote time to the group, will take the role seriously, and has knowledge, skills, or interest in the purpose of your organization. Your organization leadership should have a conversation with your advisor about the expectations and the responsibilities of your advisor.

If your group is having a hard time finding an advisor, please contact the CAC. Our office will not conduct a search for your organization, but can help you figure out avenues you can explore that you may not have considered before.

Expectations of the Advisor
- Complete the required Advisor Agreement on an annual basis
- Approve all organization event requests on UW Connect
- Attend group meetings and individual meetings with the organization leaders regularly
- Act as a reference for general information regarding University of Wyoming policies and procedures
- Provide information relevant to the group's needs, interests, activities, and organization
- Assist in the financial matters of the group
- Act as a reference person in terms of the organization's history
- Provide advice and guidance in the planning and implementation of the organization's activities

Responsibilities of the Organization to the Advisor
- Keep the advisor informed about the business and events happening in the organization
- Meet regularly with the advisor to discuss organization business
- Solicit the opinion and advice from advisor when problems arise
- Be courteous to your advisor

Mandatory Reporting
Every RSO Advisor is a mandatory reporter. As a mandatory reporter, they are required to report concerns related to possible discrimination, sexual harassment or violence as stipulated in the following regulations and policies
- UW Regulation 1-5 Civil Rights Discrimination
- UW Regulation 1-44, Violence in the Workplace
- UW Regulation 1-256 Policies and Procedures Governing Sexual Misconduct
- Sexual Misconduct Policy and Procedures

Multiple Advisors
If an RSO is particularly active or there is interest from multiple individuals that meet the requirements set above, an RSO may maintain more than one advisor. If mentioned in the RSO’s constitution, the RSO should adjust the wording to address having multiple advisors.

Event Planning

Registration of Events on UW Connect
UW Regulation 11-4 requires student organizations to register activities and events that are open to the University community or utilize University facilities and services. All RSOs register their events through UW Connect. Events must be registered at least two weeks in advance of their event date. However, if you are requesting ASUW funding, your
request must be submitted at least five weeks in advance. For guidance on completing this event registration, please review the walkthrough.

Registering your event serves as an agreement of all parties involved in providing services for the activity assuring the student organization is knowledgeable of all regulations, risks, and opportunities. It is also a requirement to receive funding from ASUW Funding Board. Failure to submit an event through UW Connect, for an appropriate activity, may result in forfeiture of privileges granted by University recognition.

Associated Student Technical Services (ASTEC)

ASTEC offers the following services:

- Live sound reinforcement
- Stage Lighting
- Projector rental and setup
- Technical consultation
- Event Partnerships
- Audio Recording
- Stage crews

ASTEC’s services must be reserved at least two weeks prior to the event. Event reservations need to be made before registering the event on UW Connect. Reservation requests with less than two weeks’ notice will be considered at the discretion of the ASTEC Coordinator, and may be subject to a rush fee if services can be provided. Late cancellations or failure to notify ASTEC of a cancelled event or event location change within 48 hours of ASTEC’s service schedule may result in penalty fees and the organization losing access to ASTEC services for up to a calendar year.

Tips for Technical Arrangements

- To ensure the best technical arrangements, please contact ASTEC as soon as you have scheduled your event. Our two-week notification policy allows for an appropriate period for planning and arranging the technical requirements. Many events on campus get booked with ASTEC months in advance, so plan ahead.
- Scheduling a production meeting with all departments providing services or facilities for your event is a useful tool for a successful event. In a production meeting, more in-depth discussion can allow all parties to know what is required for the event and any part of your event that has changed since your reservation.
- Consult with the ASTEC Coordinator in order to assess the time needed for setup, tear down, sound check and any necessary technical rehearsal or light focusing. During this time, it is important for the technical crew to have nothing impede them. If rehearsals, decorating or any other action needs to take place in the stage area please add additional time for them.
- Always ask a performer for a technical rider. The information contained in riders is very important and will often determine the feasibility and/or location of the event. In the unlikely event that a performer does not have a technical rider, please have them get in touch with ASTEC as soon as possible.
- At the beginning of event setup, the student organization representative should introduce themselves to the setup and technical crew. This will provide clear communication about what the organization wants and what the crew can provide.

ASTEC Policies

- RSOs receive free services so long as their event is held on campus and is free for students to attend
- RSOs working with departments to host events must be the primary contact for all event organizing and be the organization in charge of the event while it is happening
- ASTEC’s service agreement is issued upon the receipt of a reservation. If you would like to read the service agreement before completing a reservation, contact them directly.

Food & Drink
Pepsi-Cola manufacturer, Wyoming Beverage Inc., is the University of Wyoming’s exclusive beverage provider. When a RSO brings drinks onto campus, they must be a Pepsi-Cola product according to our agreement with Wyoming Beverage Inc. To get a full list of drinks supported by the University, please contact cac@uwyo.edu.

Catering Policy
UW Catering: To minimize the cost of an event for RSOs, UW Catering has developed a low-cost menu specifically for RSOs available here and can be contacted at 307-766-2050.

On-Campus Caterers: For small requests in the Union, the Union Food Court may be able to assist you and can be contacted at 307-766-6269.

External Caterers: Your organization may use an approved outside caterer for your event. If an external caterer is not on this list and your organization would like to seek approval for the caterer, please have the caterer fill out this form and send it to Procurement. This can take time, so plan ahead if you are looking to use a vendor not found on this list.

If your organization is looking to receive donations in the form of food for an event, it must come from an approved caterer from any of the above resources, or they must go through the process to become an approved vendor.

Planning a Catered Event
- Shortly after reserving a space for your event, contact the appropriate catering service
- Plan the event’s menu with the catering manager at least two weeks in advance and speak to the Events Office to confirm details such as room set-up, number of people, and other similar arrangements
- Inform food service of the number of people expected to attend no later than 48 hours prior to the event
- Arrangements should be made far enough in advance to ensure that equipment is available

Alcohol for an Event
Authorization to serve alcohol anywhere on campus, besides the Wyoming Union, for events must be requested by completing the alcohol request form. Organizers are responsible for complying with all ordinances, regulations and laws, including but not limited to liquor laws and permit requirements, if alcohol will be served at the event. Please note that if an RSO opts to serve alcohol at an event, additional “event insurance” containing liquor liability coverage will be required. Additional safety measures and additional insurance may be required from the Risk Management office.

For any questions, please call 307-766-6717/2487 or email Central Scheduling.

Contracts
University Contracts
If University or ASUW funds will be used as part of an agreement, the agreement is required to go through the University contract process. This process takes a minimum of six weeks, so please plan ahead. To use University contracting, please contact the Program Advisor, as this is the only way you can pay a vendor through ASUW funding. If you have any questions related to the contract process please contact CAC at 307-766-6340 or cac@uwyo.edu.
**RSO Contracts**

If a group does not utilize the University Contract process because they are not receiving funding from the University or ASUW, they are entering into binding agreements on their own accord. A contract is a legally binding obligation, and usually involves an agreement to pay a specific sum of money for services or a performance. RSOs are cautioned to use care when discussing potential performances over the phone or e-mail. Both RSOs and individuals in those organizations can be held financially liable for contracts or agreements, both written and oral. The CAC can advise groups as they look to enter into agreements, with the understanding that the CAC or University are not liable for any decisions RSOs make.

**Screening Movies at Your Events**

Copyright law prohibits the showing of film in a public setting unless the company who owns the rights to distribute the film grants approval or the film is rented from a licensed public film distributor, which generally includes licensing fees. Film programming may be shown in a public setting at an educational institution without additional approval or licensing if the program fits under the educational exception stipulated in copyright laws.

All film programming for public viewing at the University of Wyoming by RSOs must be registered with the Campus Activities Center. Student organizations planning a film program for public viewing should consult with the Campus Activities Center staff to learn more about the copyright law educational exception or to review catalogs of licensed public film vendors and to complete the online event form through UW Connect.

The Campus Activities Center Staff will be happy to assist you in planning a successful film program that complies with copyright laws. In order to determine the cost, the CAC will need to know the following:

- The film title
- The film screening date, time, venue & capacity
- If there is an admission charge, and how much
- If the group already owns a physical copy of the film and if not, what format the film needs to be sent to us in

Please note, foreign and anime films can sometimes be difficult to find licenses for in the U.S. We ask that you be proactive and approach us three to four weeks prior to the screening so we can do outreach to our distributors. In some cases, for smaller independent films or documentaries, filmmakers will often allow campuses to screen their works free. However, we still need formal documentation of rights to show the film from the film company.

**Ticketing for Events**

If a RSO is not charging admission, but wishes to set a headcount, the Union Information Desk will hand out tickets free of charge to the RSO. The RSO will be required to fill out an online form to provide information about the event. This form must be filled out at least one week prior to the event and need to contact the Events office to discuss their needs.

Tickets may also be sold for events. If tickets are sold for on-campus events, we recommend using the Fine Arts Box Office. Using their service allows groups to sell at their box office, online, and at the Union Information Desk. Please be aware that state sales tax will be deducted from the ticket profit and a service fee will be charged per ticket on behalf of Fine Arts and the Union. To utilize their service, call 307-766-6666 or email the Fine Arts Box Office.

**Charging Admission vs. Suggested Donations**

RSOs are welcome to charge for their on-campus events, however, the RSO will be charged for spaces and services for their event, even if the admission charge is for philanthropy. To avoid extra charges, RSOs can advertise and have suggested donations at their event. However, if a patron wishes to attend the event without donating to the cause, the RSO must allow them to participate per the advertisement. Groups found charging admission for events will be assessed appropriate rental and service fee charges as seen fit by the Union Events Office, Central Scheduling, and other University entities.
Video/Live Streaming/Photography at RSO Events

RSOs must obtain consent from individuals attending any RSO event in which video, live streaming, or photographs may be taken. Be aware of the Photography & Film policy and fill out the Facilities Use Permit for Filming and Photography on Campus form. The form must be submitted at least two weeks in advance of the event date.

Accessibility at Events

Services
- Contact the UW Disability Support Services to request a transcriber or interpreter for your event or assist you with the creation of captions or transcripts for audio and visual clips
- Contact Abilities, the UW student organization focused on spreading awareness about accessibility issues, to arrange for a consultation about your event or to arrange for a workshop to learn more about accessibility issues
- The Union Events Office can produce and print room diagrams with notations on accessibility accommodations in the rooms. See sample diagram here. They can also provide signage to label the most accessible routes or signs for reserved accessible seating at tables. For larger scale events, they can work with event organizers to brainstorm stage layouts to include ramps or a wheelchair lift
- Include contact information for UW Disability Support Services on marketing materials so accessibility accommodation requests can be made

Risk Management

Risk is the possibility of loss or injury. It further implies a person or thing that is a specified hazard to an insurer. Because all events present situations that imply potential risks and liabilities, it is beneficial to the student organization to know how to anticipate and prevent risky situations and to be aware of its responsibilities in case an incident occurs. The Campus Activities Center and the Risk Management Office can advise RSOs about liability and insurance issues.

Risk Management reviews all events registered with our office via UW Connect. If additional risk mitigation measures need to be taken to host an event, Risk Management will comment with the required needs and insight on UW Connect.

Risk Assessment

Organizations should exercise reasonable care to prevent harm that might occur because of activities or events and plan with the CAC and Risk Management Office. RSOs should consider risks in the following areas when planning events.
- Harm: Physical injury to person or property - food-related illness, alcohol consumption, injury from a physical activity, and others
- Reputation: Negative representation of the group that could impact individual members, the group, or the institution - decisions of poor conduct, hazing, and others
- Emotional: Impacts, thoughts, and feelings of a group’s membership or attendees - hazing, lack of accessibility, discrimination, and others
- Fiscal: Monetary issues - budget management, failing to meeting fundraising goals, and others
- Facilities: Failing to treat spaces with respect - include inclement weather, improper set-up or clean-up for the event, safety/security issues with a specific venue, and others

Waivers

In the instance that Risk Management requires the organization to obtain signed waivers for your event or program, the RSO is required to turn in the signed waivers to the CAC within one week of the event concluding. Failure to turn in
waivers will affect the ability for the RSO to receive approval for future events. If participants of the event are under the age of 18, they must have a parent or guardian sign the form. In addition to signing the form, you should go over the possible dangers participants may encounter while engaging in the activity.

**Additional Event Insurance**
In some cases, Risk Management will require that your event carry additional “special event” insurance. They will inform you on the limits that need to be set forth in the insurance policy. The University of Wyoming utilizes Tulip to procure insurance. RSOs can receive a quote from their website. Groups may also solicit quotes from other insurance vendors. In cases where additional insurance is required for an RSO requesting ASUW funding, a quote should be generated and given to Risk Management to be included in the budget request.

**Minors on Campus**
The University of Wyoming is committed to the safety, protection, and wellbeing of minors who participate in University-sponsored or University-approved programs. To facilitate the safety of minors on campus, the University has implemented a policy to establish minimum requirements in which minors participating must comply without regard to the location of program activities. RSOs should be familiar of the Minors on Campus Policy in university-approved programs. If your RSO wants to have an event that will have participants under the age of 18, please contact the Risk Management office.

**Reserving Space on Campus**

**Wyoming Union Reservations**
Recognized Student Organizations can use Union facilities at no charge if you are not charging a fee to attend your event. This service distributes posters to designated bulletin boards across campus free of charge. **Financial Resources & Fundraising**

**RSO Financial Accounts**
All student organizations should maintain an account for their organization that is separate from the personal account of individual members of the group and the advisor. There are two options for RSOs for setting up accounts.

**Local Bank Account**
RSOs may set up an account at any bank in the area. Both Uni-Wyo Federal Credit Union and First Interstate Bank have been great for groups to work with. To establish a bank account, you will need a tax identification number (also known as employer identification number) with the account. We DO NOT recommend that you use any individual member’s or your advisor’s social security number. You can get a tax identification number through the IRS. The process is available online and you will receive the tax identification number instantly. For more information and to set up a tax number for your organization visit [here](#). RSOs are not allowed to use the University of Wyoming EIN without the expressed consent of an authorized university official.

**UW Foundation Account**
RSOs may also elect to utilize the assistance of the ASUW office to manage their finances. When RSOs receive money through different ways they can elect to take that money to the ASUW Business Office and have it placed in an account specifically for their organization. When student organizations need that money, they will request funds from their account from the ASUW Business Office. If you are interested in obtaining a UW Foundation Account, please contact [asuwgrad@uwyo.edu](mailto:asuwgrad@uwyo.edu).

*Please be aware that if your RSO uses any sort of funding or owns a bank account it is required to maintain ALL documentation of revenues and expenses for seven (7) years per IRS guidelines.*

**Tax Exemption**
Obtaining tax exemption can be a tricky process. There are many guidelines dependent on the source of the funding and how it will be utilized. In many cases, it may not be worth the effort or savings for your group to go through this process. If you are looking to obtain or use a tax exempt status for your organization, we highly recommend that that you contact Shelly Schaef, the Senior Accounting Associate for ASUW, [sschaef@uwyo.edu](mailto:sschaef@uwyo.edu), to figure out a solution that best meets the need of your group.

*RSOs are not allowed to use UW’s Tax Exemption status without the expressed consent of an authorized university official.*

**Funding from ASUW**
RSOs may request ASUW funding for programs and conference registration at any time during the academic year. The RSO Funding Board meets weekly on Mondays at 3:00 p.m. during the academic year to review requests. The Board will evaluate requests based upon the number of students served, the general value and scope of the event, and whether the event falls within [ASUW Finance Policy](#). Events that are requesting over $3,500 must be submitted at least five weeks in advance. Please review the [RSO Funding Board](#) page for more information.

**Conference Registration Funding**
RSOs may request up to $750 per semester to go towards conference registration. Funds do not cover lodging, travel, or meals. Registration funds are available only to student members of the organization. [Application forms](#) are available on the ASUW website. Please complete your request and deliver to the ASUW Office.
Program Funding
Funding for RSO programs is available during the academic year through an online application process to the RSO Funding Board. The application forms are embedded in the event registration form on UW Connect. Please complete and submit the request at least five weeks prior to your event. The application will be forwarded to the ASUW Director of RSO Relations once all other parties have approved the event.

However, if a performer or catering contract is involved, it may take up to eight weeks. Most requests will be considered in the semester they are to occur. Exceptions will be made for those events that occur early in the following semester. Please submit your funding request as soon as possible.

The process for receiving funds after your application is submitted to the ASUW Business Office is as follows:

- The Director of RSO Relations will schedule a time for you to present your request to the Board
- The Board will (1) approve the request, (2) approve it with amendments, or (3) deny the request
- If the amount approved is less than $3,499, the RSO will be informed of the Board’s decision immediately
- If the amount approved is $3,500 or more, the request will go to the next ASUW Senate meeting for final approval
- Upon approval of funding, a representative of the funded RSO must work with the ASUW Accountant & Director of RSO Relations and the Campus Activities Center to successfully complete the planning and funding of the event within University approved procedures

Basic guidelines for requests are:

- Programs should be open and free to all students
- Programs should be advertised across campus and display the ASUW logo
- Programs should have a valid educational purpose
- Programs must not include alcohol, tobacco, or any other illegal substance
- Programs should not be a charitable fundraiser for themselves
- Programs should not foster excessive entanglement between the University of Wyoming and a particular religious or political ideology

Fundraising
Individual fundraising efforts by Recognized Student Organizations have proved to be one of the most successful methods of obtaining funds. Be creative and resourceful when brainstorming ideas.

Fundraising activities for an event require completion of an event form through UW Connect. Tables in the Wyoming Union Breezeway, rooms, or public spaces in other campus buildings can be reserved and utilized for fundraising.

Athletic Concessions
Athletics offers the opportunity for RSOs to work the concessions at War Memorial Stadium during the football games. Please contact athconcs@uwyo.edu for more information if you are interested in participating.

Landmark Staffing
Landmark will pay RSOs to help take tickets, usher, check bags, oversee parking, and other security activities at athletic events on campus. For more information, please contact glenf@landmarkeventstaff.com.

Bake Sales
Please review the Wyoming Union Policies & Operating Procedures for how to hold a bake sale.

1. Only UW recognized student organizations may hold bake sales within the Wyoming Union
2. The UW recognized student organization must identify itself with a sign that is displayed at the site of the sale
3. Bake sales are limited to baked homemade food items
4. Recognized student organizations must register bake sales, or any fundraising activity, on UW Connect
5. The UW recognized student organization assumes all liability associated with any bake sale
Co-Sponsorships
The CAC is excited at the opportunity to collaborate with organizations across campus. Please visit our Co-Sponsorship site to see if we can work together. Other RSOs may also be looking to put on an event of a similar nature. Reaching out to them may open doors you had not yet considered.

Fundraising Nights at Local Restaurants
Some local restaurants like to support our RSOs through a variety of programs. Please get in touch with ASUW to see if there are any that do a program that fits in with what your RSO is trying to accomplish.

Raffles
RSOs can hold raffles for the purposes of fundraising for their organization or charitable donations as long as the prizes are not money. Prizes and raffles must be conducted in line with all UW, state, and federal guidelines. When reserving space to promote a raffle, please be specific as to the process and prizes when contacting the appropriate parties.

Reaching Out to a UW Department or College
Occasionally, a UW Department/College will donate funds to an RSO with a similar mission. If you are interested in this type of partnership, please review the Departmental Donation form.

Community Solicitation of Donations
Please contact ASUW ahead of time if you are planning to solicit funds from members of the Laramie community.

A-team Mini-Grants
The purpose of the A-Team mini-grant competition is to support University of Wyoming students in taking leadership roles in preventing the misuse of alcohol among UW students. A-Team will consider grant proposals from student organizations for the funding of events or programs that are alcohol-free, have an educational component, and are aligned with the mission of the A-Team. For more information, email aware@uwyo.edu.

Wyoming Remember the 8 Mini-Grants
The “Wyoming Remember the 8” fund is available for UW student organizations. Mini-grant awards up to $100 are available for one student organization and awards up to $250 are available for collaborative projects between two or more student organizations. For more information, see their website.
