

ECTL Sponsorship Opportunity for: **The Grading Conference**

June 13th -15th, 2024 | 9am-4pm MST | Online

The Ellbogen Center for Teaching & Learning invites members of our campus community to apply for sponsorship to the 2024 Grading Conference.

The Grading Conference is a place where faculty join together to learn about grading practices that best support student learning, promote diversity, equity and inclusion in the classroom, and enhance student and faculty classroom experiences. Now in its fifth year, the purpose of the conference is to support instructors as they strive to challenge traditional grading practices that have been shown to be damaging to students and their learning.

The ECTL will sponsor 20 participants to attend this online conference. Participants will be chosen on a first come, first serve basis.
