PLACEMENTS: Upon review of all Phase III applications in this cycle, a departmental faculty committee will determine the district for initial consideration of your application. Your placement will be determined by UW faculty and school district personnel and the availability of quality mentor teachers in the determined sites in Wyoming.

Phase III applicants WILL NOT be placed in the following situations: in the same building they attended as a student; in a building where the applicant's children are enrolled; in a building where a spouse or other relative is employed; in a building where a relative is attending school; with a cooperating teacher who is a relative. Phase III students will not be placed in a parochial school (United States Court of Appeals, Eighth Circuit, 1986, Stark and Sentz, Appellees v. St. Cloud State University, Appellant).

EMPLOYMENT: We strongly discourage students from attempting outside employment while in Phase IIIb. Participation in intercollegiate athletics or other on-campus activities will also be very difficult.
