To Faculty Senate:

This is to serve as the report for the Budget Planning Committee for AY 2021-2022. This year we did not receive a formal charge from Faculty Senate and thus we have not conducted much real business. We were asked to look at Uni Regs 2-302 and 2-303 as they pertain to the scope and formation of the budget planning committee, and we did provide some feedback with respect to that request. We are currently selecting a chair for next year, and I will submit that by the deadline provided, 4/30, for Faculty Senate approval.

If you would like any additional information, please feel free to contact me.

Sincerely,
Chair of the Budget Planning Committee - Dr. Jon M. Pikal
Associate Professor of Electrical and Computer Engineering
