

**Name Change from BSFC in Family and Consumer Sciences to BS in Design,
Merchandising and Textiles; BS in Human Development and Family sciences;
BS in Human Nutrition and Food**

October 25, 2022

The Academic Planning Committee (APC) was asked to review a request to change the name of the BSFC in Family and Consumer Sciences, with program options in:

Design, Merchandising and Textiles

Human Development and Family Sciences

Human Nutrition and Food.

The requested name change has been well researched. Faculty, students, alumni and accrediting bodies were contacted and agreed the name change is preferred. The only Issue the APC discussed was with three different degrees each individual degree will have smaller enrollments. The new degrees may be looked at differently by the administration if enrollment does not meet minimum numbers. With that one concern the APC is supportive of the proposed change.
