

**Resolution in Support of the Proposal to Move the Biodiversity Institute to
the Haub School in the UW Organizational Structure and Budget**

WHEREAS, under the auspices of University Regulation 2-13, the Provost and Executive Vice President, in consultation with the Vice President of Research and Economic Development, Brent Ewers, Director, Biodiversity Institute, and John Koprowski, Dean, Haub School of Environment and Natural Resources (Haub School), proposes that the Biodiversity Institute be moved to the Haub School in the UW organizational structure and budget; and

WHEREAS, the Faculty Senate has reviewed the accompanying proposal to move the Biodiversity Institute to the Haub School in the UW organizational structure and budget;

THEREFORE, BE IT RESOLVED by the Faculty Senate of the University of Wyoming that it supports the proposal to move the Biodiversity Institute to the Haub School in the UW organizational structure and budget.

Treva Sprout-Ahrenholtz

Secretary, Faculty Senate
