FIRST-GEN PEER MENTORS

WENDY LUNA GARCIA
SENIOR - INTERNATIONAL STUDIES

My best study management tip is to make a to-do list in the morning and number your top three priorities. Try your hardest to accomplish them and then rest. Also, I would recommend logging your energy levels throughout the day to determine when you are the most productive.

JORDAN CARLSON
JUNIOR - OUTDOOR REC & TOURISM

My best study tip is to go over the lecture PowerPoint before class to see what slides you will have questions about beforehand. This way you're prepared.
