| Call Title: | USAID SOROKA |
| Programme: | Madagascar USAID-Antananarivo |
| Objective: | SOROKA is a Malagasy word which constitutes the root of the verb “misoroka”, meaning “to prevent”, corresponding to the aim of surveillance. SOROKA can be the acronym of the specific objectives of the project: Surveillance, Operational Research, and Optimization of Knowledge-sharing for Action activity. SOROKA’s main objective is to advance the health of the Malagasy people through improvements in capacity-building and coordination and execution of data collection, management, synthesis, and use for public health action. Following the RISE project, SOROKA will enhance local capacity and expand leadership within the Ministry of Public Health (MOPH) to detect threats to global health security, and to plan and conduct emergency outbreak response. It will reinforce the country’s capacity to plan, implement, and disseminate locally led research and evaluations, and increase public sector capacity to use epidemiologic and surveillance data for public health action. |
| Eligible Activities: | SOROKA will be the main activity of USAID/Madagascar’s Health Office for research on malaria, MNCH (mother, neonatal, and child health), WASH (water, sanitation, and hygiene), and GHS (global health security), for program evaluation, biological surveillance including AMR (antimicrobial resistance), emergency responses to health threats and institutionalization of epidemiology and laboratory data use for decision making. SOROKA will also provide targeted and need-based cross-sectorial training for the MOPH staff throughout its implementation. In general, SOROKA is intended to cover all HPN program elements, particularly malaria, MNCH, GHS and WASH. Actions must take place in Madagascar. |
| Eligible Applicants: | Eligibility is restricted to Local entities and organizations that have received less than \$25 million in USAID funding, at any tier, over the past five years; or for global health awards the organization has received less than \$25 million in U.S. Government funding at any tier, over the past five years. |

| Call Title: | EUROPEAN YOUTH TOGETHER 2025 |
| Programme: | European Commission (EC) - Erasmus+ |
| Objective: | European Youth Together projects aim to create cooperation, enabling young people across Europe to set up joint projects, organise exchanges and promote trainings (e.g. for youth leaders/ youth workers) through both physical and online activities. The action will support transnational partnerships for youth organisations from both grassroots and large-scale level, aiming to reinforce the European dimension of their activities. |
| Eligible Activities: | <p>Important thematic priorities are working with and promoting the EU Youth Strategy 2019-2027 and the European Youth Goals. The European Youth Goals are also reflected in the President von der Leyen Commission's political guidelines. Project proposals may also treat the legacy of the European Year of Youth 2022 (e.g., exploration of youth check or youth mainstreaming processes) and the outcomes of the 'Conference for the Future of Europe'. Youth networks should consider ways of forging solidarity and inclusiveness in the recovery from the COVID-19 pandemic.</p> <p>Activities must take place in EU Member States or third countries associated to the Programme. Proposals must be submitted by a consortium of minimum of 5 applicants (beneficiaries, not affiliated entities) from at least 5 EU Member States and/or third countries associated to the Programme.</p> |
| Eligible Applicants: | Any participating organisation established in an EU Member State or third country associated to the Programme can be the applicant. This organisation applies on behalf of all participating organisations involved in the project. |
| Total Budget: | The maximum EU grant per project is €500,000. Total available funding is €8,000,000. |
| Deadline: | 06/03/2025 |
