<b>Call Title:</b>	<b>CALL FROM FONDATION FRANKLINIA</b>
<b>Programme:</b>	<b>FONDATION FRANKLINIA</b>
<b>Objective:</b>	Projects must contribute to the main objective of the Foundation: to preserve threatened tree species, avoid their extinction and improve their conservation status. Only projects aiming at improving the conservation status of globally threatened tree species listed on the IUCN Red List of Threatened species are eligible.
<b>Eligible Activities:</b>	<p>Threatened species include those listed as Vulnerable (VU), Endangered (EN) or Critically Endangered (CR).</p> <p>Therefore, applicants must check the status of their target species at <a href="http://www.iucnredlist.org">www.iucnredlist.org</a> to ensure that their project is eligible. If a species is considered as threatened but the assessment is not yet published on the Red List website, detailed additional information justifying a VU, EN or CR status must be provided. They define trees as plant species presenting a single trunk at least 2 meter high.</p> <p>Actions must take place in Latin America.</p>
<b>Eligible Applicants:</b>	Any organisation with well-established expertise and efficiency in plant conservation can apply. No more than one project can be submitted per organisation.

<b>Call Title:</b>	<b>GRANTS FROM MINOR FOUNDATION FOR MAJOR CHALLENGES</b>
<b>Programme:</b>	<b>MINOR FOUNDATION FOR MAJOR CHALLENGES</b>
<b>Objective:</b>	The Minor Foundation for Major Challenges is a Norwegian trust that funds communication projects which mitigate anthropogenic climate change. The board grants support to the projects they believe have the greatest impact on influencing public opinion and increasing political support for cutting green house gas emissions. The Foundation's work focuses on providing inspiration, changing attitudes, spreading information, etc., all meant to have an impact on decision-makers in society.
<b>Eligible Activities:</b>	<p>Their ultimate goal is to reach as many people as possible in the hope of limiting and helping to prevent global climate changes. Most of their funding goes to Europe. So far they have supported around 30 projects. Innovative and experimental projects with high impact are particularly encouraged. The thematic areas of eligible for funding are (1) climate change and (2) environment and natural resources. The foundation's priorities are to:</p> <ul style="list-style-type: none"> <li>– encourage and support innovation in climate communication</li> <li>– increase the number of voices and narratives in climate advocacy</li> <li>– help strengthen social and political movements that open up for radical change</li> <li>– concentrate on supporting European proposals</li> </ul> <p>They have funded projects in Asia (China) and Europe but welcome applications from all over the world.</p>
<b>Eligible Applicants:</b>	Eligible for funding are non-profit organisations with a mission to combat climate change and environmental concerns.
<b>Total Budget:</b>	<b>€200,000 per applicant</b>
